NEWCASTLE

Newcastle, March 21.-The new Orange hall which has been in course of con-struction for the last year was declared opened by a special evangelistic service held there last Monday night. The large auditorium was crowded with citizens of Newcastle and the neighboring towns. Rev. Mr. Meikle, of Glace Bay (C. B.), conducted the service and Mr. Britton and a special choir occupied seats on the plat-

form.

The new hall is certainly a credit to the town and the Orange order is to be congratulated on their enterprise in furnishing the town with such a long-felt want. The building is of brick with stone trimmings and is 97x45.6 feet. The lower story is taken up with the auditorium and stage. This hall is finished in natural

The scenery for the stage was imported A very successful Lock social was held The scenery for the stage was imported from New York and is of a high class. Besides the several drop curtains there is a number of special scenes which may be used by local companies. The building was designed and built by John McDonald & Co. and cost in the vicinity of \$10,
000.

A number of promises the several drop curtains there is was fine musical and literary programmes, which was well rendered. A large number attended and the sum of \$150 was related, which will be added to the church building fund.

bers of St. Mary's church choir and the children of Mary Sodality was held in the Newcastle. Besides an interesting musi-Orange hall in the afternoon and evening of St. Patrick's day. The hall was crowded with a very appreciative audience. A special train from Indiantown brought a number from that vicinity to the evening en-
