

be seen that the amount set apart for the school building, falls short of the amount required for the year by the sum of \$77 39. The Pastor still continues his quarterly sermons to the members of the Sabbath School, and these services are well attended by the Scholars, but we regret to say that very little interest is shown by the parents, judging by their attendance in such small numbers on these pleasant and profitable occasions. In conclusion we have to thank God for what, by his aid, we have been able to accomplish in the past, and earnestly ask for his blessing upon those whose privilege it will be to take part in the duties of the School for the coming year so that they may go forward leaning upon him who alone is able to support and bless them in their work of faith and labor of love.

All of which is respectfully submitted,

DAVID McLELLAN,

SECRETARY.

JOHN JAMES, D.D.,

PRESIDENT.
