Wonderful virtues of Dr Williams' Pink Pills for Pale People.

Miss Fleming has recommended Pink Pills to a number of lady friends who say they are doing them much good. to his business on days when he could be they are doing them much good.

A further investigation revealed the they are doing them much good.

A further investigation revealed the fact that Dr Williams' Pink Pills are not a patent medicine in the sense in which that term is usually understood, but are a scientific preparation successfully used in the place of New York's best hospitals under such eniment medical scientific and looked upon as one who had but a few months before death would at a mend of Northrop was resorted to, with the same remarkable results, and to-day Mr Quant, restored to health, anticipates a long life of usefulness. The remeity which has succeeded, where the best playicians had failed, is Dr Williams' Pink Pills for Pale People—and a name that is now a familiar household word throughout the continent—and a remedy that apparently stands without a rival in the annals of medical science. Having pubever nature.

These pills are manufactured by the proportion of the courier was aroused and he determined to ascertain if anyone around Trenton had been benefitted by the use of Pink Pills. In conversation with Mr A. W. Hawley, druggist, he was told that the sale of Pink Pills was remarkable, and steadily increasing. And Mr Hawley compared with other remedies or medical the compared with other remedies or medical that are sale in the sale of Pink Pills. And Mr Hawley compared with other remedies or medical that the sale of Pink Pills was remarkable, and steadily increasing. And Mr Hawley rad steadi'y increasing. And Mr Hawley gave the names of a number within his own observation who had been benefitted by the use of this remedy. Among other Miss Emma Fleming, grand-daughter of Mr Robt. Young. It was stated that Miss Fleming, had been raised from what was supposed to be her death-bed, afte: all other remedies and physicians kad falled, by the use of Dr Will'ams' Pink Pills, This statement was so startling that the Courier determined to investigat it further, and if true set the facts before the public for the benefit of other sufferers. Mr Robt. Young, grandfather of the young lady was first seen, and in a reply to an enquiry said it was a miracl the manner in which these pills had restored his prend-daughter. As a lest resort, and with a prayer in his heart, he had purchased a box of Pink Pills at Mr Spaulsbury's drug store, and so much good resulted that the remedy was contended until his grand-daughter was a well as ever she i.ed been. Three years ago Miss Fleming's mother died of consumption. Up to four years ago Miss Fleming stated that she had enjoyed good health, but taking a severe cold then she had not had a well day since, ustil she began the use of Dr Williams Pink Pills last December. She was reduced in weight to 90 pounds, but now weighs 111 pounds; a gain of 21 pounds. She consulted a number of doctors and took there remedies, but never obtained more then temporary relief. A physician at Newmarket whom she consulted and the word of the w ton physician said that a sudden cold would go to her lungs and he had no hope of her ever getting better. She felt very miserable, atrength continually failing.
