SUMMER SCHOOL OF SCIENCE
FOR THE
ATLANTIC PROVINCES OF CANADA.

The Sixth Session of the School will be held in the City of St. John, beginning on **MONDAY, the First Day of August next,** and closing on Saturday, the 13th of August.

The opening will take place in the hall of the Centennial School. The Mayor of the city will preside, and the President, G. U. Hay, Principal of Victoria High School, will deliver the opening address. Among the other speakers will be Lieut. Gov. Sir S. L. Tilley, Chief Superintendent Dr. Inch, of New Brunswick; Dr. MacKay, Superintendent of Education for Nova Scotia; Premier Fielding, H. J. Thorne, Esq., and Hon. Judge King.

The staff of instructors for the session is large and excellent, consisting of the following:

- ASTRONOMY—Principal Cameron, Yarmouth Academy.
 - BOTANY—G. U. Hay, Ph. B., President of the school, assisted by Miss N. Forbes, A. B., Yarmouth Academy.
 - CHEMISTRY—Prof. W. W. Andrews, Mount Allison, Sackville.
 - ELOCUTION—Miss M. A. Alexander, St. John School of Music.
 - ENGLISH LITERATURE—Principal A. Cameron, Yarmouth.
 - GEOLOGY—Prof. A. E. Coldwell, Acadia College, Wolfville, and G. F. Matthew, A. M., F. R. S. C., St. John.
 - HISTOLOGY and MICROSCOPY—Principal E. J. Lay, Amherst Academy.
 - MUSIC (Tonic Sol-fa)—Rev. Jas. Anderson, M. A.
 - PHYSICS—Principal E. MacKay, New Glasgow.
 - PSYCHOLOGY—A. F. Emery, M. D., St. John.
 - PSYCHOLOGY—J. B. Hall, Ph. D., Normal School, Truro.
 - ZOOLOGY—Prof. J. Brittain, Normal School, Fredericton. Assistant in Zoology, Principal, G. J. Oulton, Dorchester, N. B.
- Lectures and class-room work will occupy each day from 9 to 1, except Saturday, the 6th of August, which is set apart for an excursion by

steamer to some point on the St. John River, and Wednesday, the 10th of August, for an excursion to St. Martins or some other point of interest on the Bay of Fundy. Every afternoon will be devoted to out-door work, or rather out-door pleasure, such as visiting the Falls and the Narrows of the St. John River, Duck Cove, Lawlor's Lake, Parks & Sons' Cotton Factory, Clifton on the Kennebecasis, etc., etc. In fact the program of work and recreation is such that no one can fail to be benefited and refreshed. The unanimous verdict of those who attended last year's delightful session at Antigonish is that the two weeks spent there were the most pleasant and profitable of the year. Whether viewed as a holiday, as a reunion or as a place to acquire knowledge, each session of the school has been a grand success. DON'T FAIL TO BE PRESENT. You will find it the most delightful way imaginable of increasing your store of scientific knowledge, and you will have the privilege of free lectures from such men as Dr. MacKay, Dr. Inch, Principal Cameron and others.

Note carefully the following: The I. C. R. will give a return ticket free on presentation of standard certificate, to be procured when and where ticket is purchased.

The C. P. R. advise the purchase of their regular 30 day return tickets, as the certificate plan would give no cheaper rates, unless at least 60 pass over their road to attend the School.

The Windsor and Annapolis and also the Western Counties Railway will give a return ticket for one-third fare on presentation of Secretary's certificate.

The Yarmouth Steamship Company will give return ticket free.
The Bay of Fundy Steamship Company will give return ticket free, provided there be as many as ten or more by that route.

Persons desiring board will communicate with the President, the Local Secretary, or friends in St. John.

W. T. KENNEDY, Halifax Academy.
