

## GUARANTEED GOODS

We hear a great deal now-a-days of "buying packed commodities"—goods with a guarantee. Excellent—if the guarantee means anything.

# BLUE RIBBON TEA

Is trebly guaranteed. Back of it stands a company with a twenty-year reputation for integrity and square dealing. The new double wrapper is a "guarantee" against the slightest deterioration by climatic or other conditions. Then there is the standing guarantee that any purchaser dissatisfied from any cause—even mere whim—may have the money back for the asking.
