Question: What are your feelings toward the Montreal massacre?

Photos by: Mark Bray

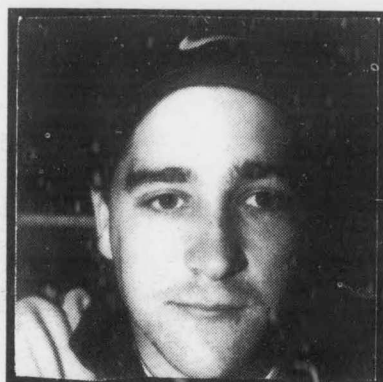

Mandy Liston - BA I

Unbelievable, horrible and inhumane.

Chris Rogers - BA IV

A disgusting example of violence against women.

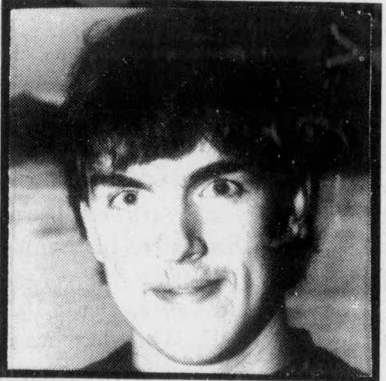

Neil Jacobson - BA III

We must ensure that these types of acts never occur again.

Dennis Price - BBA IV

It was a tragedy that we must never forget.

Darren Price - BBA IV

It is a very disgusting occurrence. I hope it will never happen again.

Dave MacCoubrey - BA II

It's horrible that some men cannot progress to present times and acknowledge the equality of women.

Kathryn Burt - Pre.SocWork

This was an awful ordeal, especially for the families. I hope something like this never happens again!

Kim Reed - BA III

It was a terrible ordeal for people to go through. It's sick that people like him make women fear their safety.

The Consumer's Guide evaluation forms have been sent to approximately 500 classes, four times the number in 1994.

The Consumer's Guide will not be publishing the names of those who do not participate.

Students wishing to get involved in the project for second term should drop by Room 126 of the SUB, or send e-mail to guide@unb.ca
