Energy crisis? Where? Diminutive Dave Walsh, a supersharp sniper skating in the colours of Clarkson Iseco atom whites, exploded for three goals in back-to-back Mississauga Hockey League encounters and generated enough heat to single Malton-9 and Erindale-18. Two of Walsh's three tallies were strictly solo efforts.

First, he scored a picturesque marker from a penalty shot at the 18:57 mark of the final period to make it two for the night and ensure Clarkson of a 6-1 victory over Malton-9. In addition to Walsh's two, Dave Crawford, Al Bierman, John Schlegl, and Daryl Grice fired goals for the winners.

Kevin Martin replied for Malton. Walsh came right back to score another unassisted beauty in Clarkson's 5-1 win over Erindale-18.

Schlegl shot a pair for Clarkson while Rick Degnan and Daryl Grice fired singletons. Mike Reynolds was the Erindale sniper.
