

D. 57409 Pte. BRISQOS, P.E.

1. The a/c was referred for psychiatric opinion pending charge by P.C.M. for murder.
2. He was examined by me on 14 and 16 JUN 45
3. He has almost completed amnesia for the period during which the alleged offence has occurred and ~~xxx~~ this amnesia could not be disproved on psychiatric examination.
4. It is my opinion that at the time of the alleged offence he did not know the nature and quality of his acts.
5. He is not psychotic and is fit for trial.
