Dear Sir:

Assistant Inspector Lavery
has reported today from Calgary to the effect that on examina-
tion of the Log Book for aircraft CF-BND which you operate,
it was ascertained that the aircraft had not been signed out
within the limits of thirty hours flying or a period of seven
days whichever was the shorter, and in this connection, it
is requested please that you give us an explanation of this
infraction of Air Regulations together with the names of your
personnel responsible.

return of mail, please.

May we have this information by

Yours very truly,
