S. STEPHENSON - Proprietor.

THURSDAY, JUNE 25.

PATTERSON STICKS TO ROSS.

It is old news now, points out the St. Thomas Times, but it is worth referring to, that John A. Patterson has quit the Dominion Alliance because the Hon. G. W. Ross was deposed from the presidency of that interesting body. Mr. Patterson did the right thing. Mr. Ross has been good to him and he has a right to stay with the Premier when he falls from his high estate in the affections of the Probationists. Mr. Patterson is a partner in the law firm of Kerr, Davidson, Patterson & Grant. The first of these is now a Senator. For years he was the "clean skater" of the party. The last is the gentleman who last year had \$17,000 handed him of which he kept no account. It was to be used in filing protests, but no account of the expenditure has been given the donors nor has any balance been returned them. For a long time this firm has enjoyed the patronage of the Government and of the Liberal Association, and if Mr. Patterson should desert the Premier now it would be base ingratitude. He will not do it because he knows on which side his bread is buttered.

MUST OBSERVE ETIQUETTE.

"You knew you were guilty down to the soles of your boots," Gamey is reported to have said across the floor of the House to Stratton. Gamey was called to order, not for saying what was not true, but for speaking so directly to the immaculate Provincial Secretary, as to endanger the coat of whitewash. Gamey learned that according to parliamentary rules he must not call a man a liar or scoundrel right to his face, but must tell the Speaker about it. Besides, Mr. Gamey should say, "the honorable gentleman lies," or "the honorable gentleman" knows he is guilty. It is quite unparliamentary to neglect the "honorable gentleman," expression, not necessarily because the party addressed is an honorable man, but etiquette must be observed and preserved. If it is desirable to call a man a liar or scoundrel, and make the allegation direct and effective, the best way is to try and meet him in the corridor, when he is not "honorable" by parliamentary decree, but a common man like the rest of us—merely an individual. Connee was not strictly parliamentary when he asked St. John to "come outside," but that happened in a committee room, and the Premier was not there to enforce rules. However, care must be taken by Mr. Gamey and other rural members to observe the amenities when addressing legislative rascals. A gentlemanly corruptionist must be treated in gentlemanly fashion, by all means. One recalls how carefully the eminent lawyer witness in this Gamey business was treated by the counsel and the commissioners, in contrast with the abusive, bullying style adopted towards Mr. Gamey, but of course it must be accepted as all right.—St. Thomas Times.

Mount Morris Index.

May is the month when the air is full of calm and the cow is full of clover. Then the maiden dons her bridle shirt and goes forth to recline in a striped hammock about the time the men are going home from work.

A WEARY, WEARY.

Charley Gaffin hauls his milk to the creamery on a wheelbarrow (not Henry Mortimer's, however). Charley has about twenty-five thoroughbred horses standing around, but he says he is too durn tired to hitch them up.

THE DIFFERENCE.

Ottawa Citizen.

When Stratton blackguarded Gamey in the Legislature, the Grit organs announced it as "a well-merited rebuke." When Gamey says things about Stratton he is, according to the same authorities, "insolent and vituperative."

EQUAL TO THE OCCASION.

Petoskey (Mich.) Lyre.

A preacher in a Michigan city made this announcement at the beginning of his sermon: "I shall not choose any particular text this morning, but will preach from where I open the book. It is now open and—" Here the parson was interrupted by a deacon who had been asleep, forgot himself, and cried out: "It's yours; what did you open on?" The surprise of the good man in the pulpit was great, but the deacon collapsed when the reply came: "It's opened on kings."

LEARN FROM OTHERS

That Dodd's Dyspepsia Tablets are a Sure Cure for All Stomach Troubles—Henry A. Coles' Experience.

Do you know Dyspepsia? Have you felt those pains, aches and discomforts that make men and women feel that there is no sunshine in life? Do you know that Dodd's Dyspepsia Tablets will take away all the troubles? If you do not, it is because you will not profit by the experience of others.

Listen to what Henry A. Coles, of St. Mary's River, Guysboro Co., N. S., has to tell:

"I had stomach trouble more or less for about five years," writes Mr. Coles. "Finally I was forced to take to my bed. The doctor was called in but he did me no good. I was suffering very bad and did not know what to do."

"Then my wife suggested that I try Dodd's Dyspepsia Tablets, so finally I got some and commenced to use them. I took seven boxes in all, and have not felt any trouble since."

"I can heartily recommend Dodd's Dyspepsia Tablets to any sufferer from stomach troubles. And others in this neighborhood who have used them speak just as highly of them as I do."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. Fire broke out at Morse & Jack's last night about 10 o'clock, but was extinguished before much damage was done, the goods getting only badly smoked. The fire started at the foot of the stairs leading to the department on the second floor.
