

OTTAWA, 31st December, 1879.

LT.-COLONEL GZOWSKI,

*President Dominion of Canada Rifle Association :*

COLONEL,—

I have the honor to forward the usual though meagre annual Medical Report of the Association for the year just ended.

I have much pleasure in reporting that during the Matches held on the 16th to the 23rd of September, inclusive, the sanitary condition of the Camp has been unusually good.

No casualty even of the slightest nature has been reported.

The Committee of Management, to whose excellent arrangements these favourable results are no doubt due, have abundant reason for self-congratulation, more particularly as the number of competitors, and amount of ammunition expended, has been much greater than during former annual meetings.

I have the honor to be,

Colonel,

Your obed't servt.,

E. C. MALLOCH,

*Surgeon, G. G. F. G.,*

*Medical Officer.*
