Fleming's Lump Jaw Cure

Always cures, seldom leaves even a scar. One to three applications only needed.

St. George April 24th 1909

Messrs Fleming Bros.—The bottle of Lump Jaw Cure that I got was used on two of my cattle—one had a lump on the throat as large as your fist, two applications completely cured it. The other had a large lump under the ear two applications have reduced it, but one more will be required to completely remove it. I have still two-thirds of the bottle left. I can sincerely recommend your remedy, as experience verifies all your claims in its favor.
