United Farmers' Make Important Business Arrangements

A MOST important meeting of the seed sowers Cooperative Company, Limited, and invited action on behalf of it, was held in the office of the dairy farmers of the province in pany, Toronto, Friday, Oct. 5. Briefly the stated these were as follows:

Manager C. W. Gurney tendered his resignation as manager of the company. Recently Mr. Gurney has assumed some important business relations with a large company in Toronto. In accepting the resignation to take effect about the middle of the month, the board expressed unanimously by standing vote their high appreciation of the services rendered the company by Mr. Gurney during his term of office and the sacrifices he had made in the interests of the company and of the organized farmers of the province. Mr. R. L. Blatchford, who has been in the service of the company for nearly a year, was appointed acting manager to succeed Mr. Gurney. Mr. Blatchford was formerly Secretary of the Embro Farmers' Club.

Local Farmers Companies. Of late a demand has sprung up in various parts of the province among local farmers' clubs for warehouse or storage facilities. In some cases the local organizations have formed separate companies for this purpose. It was decided that if possible these local companies, where desirable, should become a part of the central company on somewhat the same basis that the local elevators are controlled by the central company in the case of the Saskatchewan Co-operative Elevator Co. In this connection it was decided that as soon as a local community desires storage or other facilities and sells sufficient stock in the United Farmers' Cooperative Co., Ltd., to provide such accommodation that, if after suitable enquiry the directors of the Central Company deem it advisable, the company should stand willing to undertake the building or purchase of such storage or other equipment. Where the local community desire to manage their own business the terms and conditions under which this will be done will be subject to agreement between the various parties thereto, save and except that any manager for such enterprise desired by the local community shall first be nominated by the local community and his appointment approved by the directors of the United Farmers' Cooperative Company, Limited. This is a most important decision.

Important Committees.

At a previous meeting of the board, committees were appointed to investi-

As your first practical economy of the economies we all must effect until this World War is over, put on DOUBLE TREAD TIRES, built by special process, guaranteed to meet the most exacting tests of everyday mileage, yet costing only a fraction of what average tires cost.

The lawyer of the company, Mr. Gordon Waldron, reported that the On-

All these brands are manufactured in our own mills, and are sold by a reliable manufacturer who can give you efficient service in deliveries, and guarantees satisfaction.

Write me for prices in car lots or less.

FRED SMITH Mail & Empire Bldg., TORONTO

4 Reasons Why

Because Cotton Seed Meal, on account of its high protein content is the cheapest form of concentrate the farmer can buy.
Because Cotton Seed Meal, with its high protein content, ensures a big milk flow.
Because Cotton Seed balances the laxative properties of ensilage better than any other concentrate.
Because our brands are standard and reliable, and are put up in good bags, which is worth \$2 per ton more.
