CONCERT IN AID OF ST. JOSEPH'S HOME POSTPONED.

We are requested by the Rev. D. J. Holland, C. S. S. R., to announce that the concert in aid of St. Joseph's Home for Homeless Boys, of which Rev. Father Holland is the founder, has been postponed until Thursday, December 10th, 1908.

It was intended to hold this concert on the evening of November 5, in the Monument National, but owing to the great amount of labor engaged in preparing such an unusual entertainment as this "Irish National Concert," it has been found absolutely necessary to postpone it until a later date.

Important features of this concert will be a dramatic contest open to all Irish Catholic Dramatic Clubs of Montreal, for a valuable prize which has been donated for the purpose, and an illustrated lecture entitled a "Trip Through the Emerald Isle," by an eminent Irish lecturer.

CATHOLIC SAILORS' CONCERT. The Catholic Sailors' Club was very well crowded last evening for the concert under the management of Professor Shea and the St. Ann's choir. The Hon. Charles Doherty kindly consented to the invitation to be the chairman of the evening.

At the conclusion of the concert a vote of thanks was proposed by the managing director of the Club, Dr. William H. Atherton, to the promoter of the evening's concert, Professor Shea, who had been a benefactor to the club on many similar occasions. A warm salvo of applause carried the motion, testifying to the gentleman's popularity. A final vote of thanks was proposed to the chairman of the evening, the Hon. C. J. Doherty, M.P., an old and valued supporter of the Sailors Club. This was enthusiastically seconded by the large audience, and in acknowledgment

ment the chairman, in a brief but felicitous speech, in which he expressed his pleasure at the concert just given, and his sympathy with the well-deserving institution of the club for Catholic sailors, brought a successful evening's enjoyment to a fitting close.

The next concert will be held under the direction of the Young Irishmen's Literary and Benefit Society. Trial is Inexpensive.—To those who suffer from dyspepsia, indigestion, rheumatism, or any ailment arising from derangement of the digestive system, a trial of Parmelee's Vegetable Pills is recommended, should the sufferer be unacquainted with them. The trial will be inexpensive and the result will be another customer for this excellent medicine. So effective is their action that many cures can certainly be traced to their use where other pills have proved ineffective.

Appointed Suffragan Bishop.

The choice of suffragan Bishop for Ottawa has fallen upon Rev. Father Latulippe, parish priest of Haileybury. His official title will be vicar apostolic of Temiskaming district and will be besides titular bishop of Catenna.

Rev. Father E. A. Latulippe was born in Saint Amicet, Quebec, on August 3, 1859. He was the son of Antoine Latulippe and Lucie Bonnevillie. Ordained in Montreal, May 30, 1885, he was from then until 1886 a professor at the Sulpician College at Montreal. From 1886 to 1888 he was curate at St. Henri de Montreal, and then became chaplain of the Good Shepherds, Montreal, holding the position until 1891. At Lachine he was chaplain for the Sisters of Ste. Anne until 1894, and afterwards rector of the cathedral at Pembroke. Haileybury was his next post and as parish priest there he has officiated from 1906 until his present appointment. While in Haileybury Father Latulippe organized several missions in the surrounding districts and in other ways evinced the talents for organization and the many qualities of mind that rendered him eligible for his new position.

CONSUMPTION'S STARTING POINT

Lies in Weak, Watery Blood. Dr. Williams' Pink Pills Make the Blood Rich and Red.

Bloodlessness is the starting point of consumption. When your blood is thin and watery your whole health declines. Your face grows pale, your appetite fails and your heart jumps and flutters at the least exertion or excitement. You are always weak and wretched and lose interest in everything. This is the point from which you may easily slip into that hopeless decline that leads to consumption and the grave. While in actuality needed to bring back health and strength and energy is the new rich blood Dr. Williams' Pink Pills actually make. In all the world there is no other tonic medicine like them, and all who feel weak and easily tired should take these Pills at once, and regain new health.

Miss Ada Burke, The Range, N. B., says: "I feel that I cannot say too much in favor of Dr. Williams' Pink Pills. In March, 1907, I was attacked with whooping cough which clung to me for several months, and when the cough disappeared I was left weak and run down. All summer I was ailing, but when the autumn came I seemed to be completely worn out. For a whole month I never moved outside the house, and could scarcely walk about the house. I was so weak. I had no appetite, my color was a greenish yellow. I had severe headaches and would be almost breathless at the least exertion. I took several bottles of medicine, but it did not help me, and then my mother got three boxes of Dr. Williams' Pink Pills, when I had used them I was much better, and by the time I had taken another three boxes I was again enjoying the best of health, with a hearty appetite, good color, and renewed energy."

If you want new health and new strength try Dr. Williams' Pink Pills. A fair use of this medicine will not disappoint you. Sold by all medicine dealers, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The Vatican is preoccupied with the question of the Catholics in Serbia, where they have no official recognition and where they are under the special protection of the Austrian minister, the same as the Catholics in the Orient were formerly under the protection of France. As a consequence of this position the Serbian Catholics may rest under the suspicion of having pro-Austrian sympathies, and should the Austrian Minister at Belgrade be withdrawn, it is feared in Vatican circles that the situation of the Catholics in Serbia would become critical.

Every mother is naturally anxious that her little ones shall be healthy, good natured and bright. Every mother can keep her little ones in this condition if she will give them an occasional dose of Baby's Own Tablets. These Tablets cure all stomach and bowel troubles, break up colds, destroy worms and make teething easy. Equally good for the new born baby or the well grown child. Mrs. W. E. TRULY A STRUGGLING MISSION

In The Diocese of Northampton. FAKENHAM, NORFOLK, ENGLAND.

This Mission of St. Anthony of Padua was started by me nearly three years ago by command of the late Bishop of Northampton.

I had then, and I have now, NO Church, NO Presbytery, no Diocesan Grant, no Endowment (except Hope).

I am still obliged to say Mass and give Benediction in a mean upper room. Yet, such as it is, this is the sole outpost of Catholicism in a division of the County of Norfolk measuring 35 x 20 m.

The weekly offerings of the congregation are necessarily small. We must have outside help for the present, or haul down the Flag.

The generosity of the Catholic has enabled us to secure a valuable site for Church and Presbytery. We have money in hand towards the cost of building, but the Bishop will not allow us to go into debt.

I am most grateful to those who have helped us, and trust they will continue their charity. To those who have not helped I would say—"For the sake of the Cause give something, if only a little". It is easier and more pleasant to give than to beg. Speed the glad hour when I need no longer plead for a permanent Home for the Blessed Sacrament.

FATHER H. W. GRAY, Catholic Mission, Fakenham, Norfolk, Eng'd. P. S.—I will gratefully and promptly acknowledge the smallest donation, and send with my acknowledgments a beautiful picture of the Sacred Heart and St. Anthony.

(EPISCOPAL AUTHORIZATION) Dear Father Grey, You have duly accounted for the aims which you have received, and you have placed them securely in the names of the Diocesan Trustees. Your efforts have gone far towards providing what is necessary for the establishment of a permanent Mission at Fakenham. I authorize you to continue to solicit alms for this object until, in my judgment, it has been fully attained.

Yours faithfully in Christ, F. W. KRATING, Bishop of Northampton
