THE CANADA COMPANY would submit to I the serious consideration of parties who may contemplate leaving Nova Scotia whether the Western Section of Canada (formerly the Province 4 Upper Canada,) does not offer every raducement for them to settle there, rather than that they should proceed to the United States. In Upper sale scattering the hot coals, and setting the Canada they will find a most healthy climate, the car on fire. Many of the passengers were soil very fertile, and abundance of excellent Land burned before they could extricate them to be obtained upon easy terms from the Government and Canada Company. The great success which has attended Settlers in Upper Canada, s abundantly evidenced by the prosperous condition of the Farmers throughout the Country, and also shown by the success of many Natives of New Brunswick and Aova Scotta who have settled in many Townships of the Country; - and the individual progress made by several thousands of people who have taken Lands from the Company, corroborates the success which has attended settlement in Upper Canada.
