### ROBBING WOMEN OF THEIR HEALTH

Anacmia Unless Checked Passes Into Hopeless Decline.

Anaemia is like a spectre that steals on you unawares and drives all hap-piness out of existence. It is a thief that robs you of your life and energy. Thousands of women in this country are the victims of anaemia (that is bloodlessness), which spares neither rich or poor, young or old. It robs woman of her health, her vitality, her No. 19-2.15 a.m. Mail and Express woman her charm. girls and women from the early fate 7-4.55 p.m. mail and express that threatened them through apaetmia's ravages, for these pills enrich the blood, stimulate the circulation, nourish the nerves, and restore the energy and perfect health that make women attractive. If you are a vic-tim of bloodlessness in any way, do not let it run into a hopeless decline, but begin the use of Dr. Williams Pink Pills today. The following bit of evidence proves the worth of this medicine. Mrs. Maurice Sims, Liverpool, N.S., says—"Dr Williams' Pink Pills have been a blessing to me. About two years ago I was so badly run down that I had to give up all 20 s.m. 8.00 s.m work and go to bed. My husband and 8.50 p.m. parents were much worried about me as they thought I was going into consumption. The doctor who was attending me changed his medicine several form.

1.30 p.m. 1.30 p.m. I began to feel very much dis ed myself. One day a friend advised me to try Dr. Williams- Pink Pills and I decided to do so. In a few weeks I felt much better and I continued taking the pills for a couple of months until I was again in perfect health. I believe that if I had not taken Dr. Williams' Pink Pills I would not have survived, and I shall always be very grateful for what they have done for

You can get these pills from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from
