A PRODUCTIVE TREE

In the orchard of Mr. John Tobin of this town is a Spy apple tree which established what we think is a record for productiveness. In the different years Mr. Tobin has obtained the following number of barrels of fruit, 1910, 15 bbls; 1911-15 1-2, 1912, 18; 1913-4; 1914-20; 1915-5; and in 1916-21 barrels. At the prices ruling this year Mr. Tobin will find this tree a very present help in times like these in helping to keep the coal bin and the flour barrel and sugar bag filled.
