### BOARD OF TRADE ANNUAL MEETING

Reports Show Year of Great Pro-  
gress—Officers Elected for  
Coming Year.

From Friday Morning's Leader.  
What may in many respects be  
called the most successful annual  
meeting of the Board of Trade ever  
held took place in the City Hall last  
evening, with a large attendance of  
the principal business men in the city  
present.

Following the reading of the min-  
utes and correspondence, the follow-  
ing new members were elected: W.  
S. Gray, P. C. Rennebohm, Robt. Ar-  
mour, C. C. Knight, B. Hooke, W. S.  
Ball, J. C. Secord, E. M. Storey and  
W. A. Thomson.

The annual reports of the secre-  
tary and council of the Board showed a  
year of unexampled progress and  
prosperity.

**President's Address.**  
In a short but suggestive address,  
the retiring president, R. G. Pettin-  
gell, referred to the importance of  
the Regina Board of Trade as the  
largest commercial organization be-  
tween Winnipeg and Vancouver,  
thanking the members for the sup-  
port accorded him during his year of  
office. Congratulating the Board on  
the progress of the city made in 1906,  
Mr. Pettigell made mention of the  
work done by standing and special  
committees, and the success of the  
that of the Business Men's and  
Transportation committees. Refer-  
ence was also made by him to the  
publicity campaign inaugurated dur-  
ing the year and to the need of ap-  
proaching the City Council for fur-  
ther funds to carry on that work.  
Mr. Pettigell also touched on the  
question of the advisability of con-  
tinuing the joint meetings of the As-  
sociated Boards of Trade with Al-  
berta, which he thought would have  
to be seriously considered.

The president also referred to the  
number of young people in the city  
and asked the co-operation of the  
Board with the School Board, Y.M.C.  
A. and other organizations in pro-  
moting the welfare of the younger  
generations of citizens. In conclu-  
sion he thanked the city press for the  
assistance given to the Board, and  
suggested that a representative  
of each of the city papers should be  
an ex-officio member of the Board's  
Advertising Committee.

**Council's Report.**  
The annual report submitted by  
the Council of the Board of Trade  
dealt with the commercial progress  
of the city during 1906, which it de-  
scribed as thoroughly satisfactory.  
In transportation matters, in real es-  
tate transactions, in building opera-  
tions, in the location of warehouses  
and development of industries, in  
the increase of population, in the ex-  
pansion of post office business and  
customs revenues—in these and in  
many other avenues of commercial  
activity have the advancement and  
material progress of the city been  
evident," continued the report.  
After commenting on the impor-  
tance of the entry of the Canadian  
Northern into the city and the work  
done during the year by the Trans-  
portation committee, the report drew  
attention to the phenomenal growth  
of the city during 1906, with its to-  
tal building permits totalling \$1,  
982,000, placing Regina fifth among  
the cities of the Dominion for build-  
ing, surpassed only by Winnipeg.

Hamilton, Ont.

Toronto, Montreal and Vancouver.  
The report placed the actual value of  
the buildings erected during the year  
at \$2,500,000.

Having briefly referred to the pro-  
gressive municipal programme car-  
ried out during the year and the for-  
ward policy of the different school  
boards, the report remarked upon the  
financial position of the city with  
\$400,000 in cash and securities from  
her sales of properties, and fur-  
ther properties held valued at from  
\$750,000 to \$1,000,000, rendering  
possible a vigorous policy of develop-  
ment without the imposition of ex-  
cessive rates of taxation.

Special reference was made by the  
report to the proposed municipal hos-  
pital, estimated to cost \$200,000, the  
increased hotel accommodation which  
will be offered by the city during the  
coming summer; the city's increas-  
ing importance as a wholesale cen-  
tre, and the large number of com-  
mercial travellers working out  
from Regina; the progress made to-  
wards the proposed union station  
and the immense growth of the post  
office business during the fiscal year,  
showing receipts of \$37,000, as  
against \$23,000 for the previous  
year, placing Regina fifteenth among  
the cities of Canada.

Not the least significant paragraph  
of the report was that dealing with  
the immense growth in the railway  
traffic receipts, which were stated  
according to a careful estimate to  
amount to more than \$2,500,000 as  
compared with \$1,100,000 for 1905  
and with every prospect for a total  
of \$3,000,000 being exceeded during  
1907. These figures, it was justly  
claimed, "established Regina's place  
among the great railway cities of the  
Dominion."

The customs returns  
showing an increase from \$107,000  
to \$144,000 were pointed to as an-  
other evidence of the city's com-  
mercial growth.

In connection with the city's pos-  
tural returns the report remarks that  
"it would appear that the excellent  
showing as to postal returns would  
have justified the Dominion Govern-  
ment in appointing a post office in-  
spector with headquarters in this  
city."

**Secretary's Report.**  
The report of the Board's Publicity  
Commissioner, A. B. Boyle, dealt ex-  
clusively with the work of his office  
during the past year, giving details  
of the aggressive publicity campaign  
carried on in his capacity of Publicity  
Commissioner.

During his term of office in con-  
nection with the Board, Mr. Boyle point-  
ed out the country for years and in-  
creased and distributed a vast amount  
of literature of various kinds having  
for its main object the advertising of  
the city and the adjacent district. The  
literature thus handled included an  
illustrated folder with a bird's-eye  
view of the city, the large and over-  
sized booklet prepared by Mr. Boyle, var-  
ious crop bulletins and a smaller  
booklet entitled "A Handful of  
Facts."

In connection with the advertising  
of the city, Mr. Boyle paid a warm  
tribute to the local press which he  
stated he had always found over-  
ready to advance the work of public-  
ity. He had also, he stated, made  
considerable use of outside papers for  
the purpose of making the advan-  
tages of Regina better known. Ar-  
ticles in such well established papers  
as the Toronto Globe and the Mail  
and the Montreal Star had attracted  
considerable attention and been pro-  
ductive of much good.

The report showed the expenditure  
for the year under the following  
headings:

General expenditure, \$1,977.13  
Advertising, 1,693.95  
Receptions, 555.20  
Special expenditures, 1,513.40  
On the motion of the president and  
with practically no discussion the re-  
ports were unanimously adopted.

**Election of Officers.**  
On proceeding to the election of  
officers, Messrs. Cooper and Mytton  
were nominated for president and on  
being put to a ballot Mr. Cooper  
was elected. Messrs. A. E. Whit-  
more, A. T. Hunter and E. A. Mc-  
Callum were nominated for the vice-  
presidency, the first named being  
elected.

For the council of nine members  
the following gentlemen were elected:  
P. McArthur, Jr., A. T. Hunter, B. J.  
Taylor, R. Sinton, A. S. Jarvis, J. F.  
Bole, E. A. McCallum, J. M. Young  
and Hy. F. Mytton, the unsuccessful  
nominees being Ald. W. P. Gillespie,  
Ald. L. T. McDonald and W. McCaus-  
land.

**Lumber Inquiry.**

OTTAWA, Feb. 7.—Sir Wilfrid  
Laurier moved that the resolution of  
Mr. Herron (Alberta) be called. He  
did this, otherwise it would not be  
reached. This resolution was for the  
appointment of a committee for the  
purpose of inquiring into the price of  
lumber which is regarded as ex-  
cessive in the Provinces of Manitoba,  
Saskatchewan and Alberta. Also to  
be permitted to send for papers and  
examine witnesses on oath. The re-  
solution was carried.

**Winnipeg Receiving Coal.**

WINNIPEG, Feb. 7.—There is very  
little change in the local fuel situa-  
tion today, but with the advent of  
milder weather dealers expect to see  
an appreciable lessening in the de-  
mand for both coal and wood. Fairly  
good shipments were received yester-  
day by the railways, and several  
dealers have received bills of lading  
for cars of coal.

MOOSE JAW, Feb. 7.—Moose

the Regina boys tonight when in a  
close, clean and hard game they de-

3. Moose Jaw had some new men  
in their line-up which was as fol-  
lows: Goal, McCargue; point, Brown;  
cover, Delmage; rover, Edmunds;  
centre, Clarke; left wing, Peterson;  
right wing, Ireton. Regina was shut  
completely out in the first half which  
ended 4-0 for Moose Jaw, scored in  
5, 1, 19 and 4 minutes respectively.  
Stubbings opened the second half by  
scoring for Regina in 8 minutes and  
was followed by Carmichael with an-  
other in three minutes. Moose Jaw  
took the seventh goal in seven min-  
utes and "Windy" the eighth chapter  
with another in eight minutes. Moose  
Jaw played like a new team. Ed-  
munds and Delmage being the bright  
stars while the Stubbings, Reid and  
McLachlan shone for Re-  
gina. There were only five penal-  
ties, two to Moose Jaw and three to  
Regina. The officials were Bell, Re-  
gina, referee; Dr. Irwin, Moose Jaw,  
judge of play. The standing of the  
teams is Regina won three games,  
Moose Jaw won one, and one game  
protected.

**Asphyxiated by Gas.**

(Special Correspondence.)

QU'APPELLE, Sask., Feb. 6.—Jack  
McCallum and George Wilson were  
suffocated by coal gas while asleep  
in adjoining rooms over Rawlinson &  
Buehler's livery stable last night.  
Wilson was just alive this morning,  
but McCallum had gone to his last  
sleep.

Both men were employees at the  
stable and the deceased has for some  
time driven the stage to Fort Qu'Ap-  
pelle. Very little is known of his  
family or relatives but it is under-  
stood that his mother and sisters live  
on a homestead about eighty-five  
miles north of Qu'Appelle in the  
Touchwood Hill country. Every effort  
is being made to locate some member  
of his family. McCallum, who came  
to Qu'Appelle last fall to get work  
for the winter, was one of the  
rough-and-ready sort, twenty-five  
years old.

The coal stove was in McCallum's  
room, and Wilson, who had to pass  
through that room in order to get to  
his own apartment, stopped and turn-  
ed off the valve in the stove-pipe,  
which was done at McCallum's re-  
quest, this being the true cause of  
death, as the gas could only escape  
through the room.

**Postpone Government Phones.**

WINNIPEG, Feb. 7.—It is stated in  
civic circles that the construction of  
a Government owned telephone line  
in Winnipeg in the near future was  
discussed by the Board of Control  
yesterday and today. It is further  
stated that a decision was arrived at  
to ask the Government not to take  
any action towards the construction  
of a public owned telephone system  
in Winnipeg before a year from next  
April. Ald. Cox, chairman of the  
Legislative Committee, was notified  
of the decision of the Board of Con-  
trol this morning.
