Mr. and Mrs. Stone of Cornwall are visiting their parents, Mr. and Mrs. Stone, Church street.

Mr. and Mrs. George Boyce have returned home from Nova Scotia for a two weeks' vacation and are visiting relatives here and at Addison.

Joseph Chant of Chantry, a student of the Athens high school, has received his Junior Leaving certificate with full matriculation standing.

Mrs. J. H. Mills, who has spent the holiday season with her parents, Mr. and Mrs. Phil. Halladay, Elgin, returned this week to her home in Waterloo.

Rural Dean Wright left on Tuesday morning last for Kingston, where he went to attend a special meeting of the synod, called for the election of a co-adjutor bishop.

John Peterson and family have moved to Woonsocket, Rhode Island, U.S.A., where he has obtained a good situation. We wish Jack good success and prosperity in his new home.

The best time to attend a business college is in the Autumn. To judge from results, there is no better college in Ontario than at Brockville. W. A. Hanton has recently secured a position in Lethbridge, N.W.T.

The famous Holstein herd of Messrs. C. J. Gilroy & Son, Glen Buell, have once more won about all the honors in sight at Toronto Industrial exhibition, having taken first prize on aged herd, first and second on breeders' herd, and the sweepstakes on cows.

The ladies of the W. C. T. U. will meet at the home of Mrs. Amos Blanchard, Mill street, on Wednesday next, 12th inst., at 3 p.m. A large attendance is requested, as business of importance is to be brought before the meeting.

Mr. Alex. Taylor a few days ago became the owner of the Mansell property on Main street, between Central block and the Armstrong house, and is erecting on the site of the shop that was destroyed by fire a building for the display of implements and carriages.

The members of the Holiness Movement in camp at Lake Elvira were somewhat annoyed last week by the presence at their services of a large number of sight-seers and pleasure-seekers. They gladly welcome all who attend their meetings with the intention getting good or doing good, but are seriously considering whether it would not be wise to exercise some discretion in respect to admitting to the grounds on Sunday a class of visitors whose unworthy object in attending service has been plainly manifested in the past. It is admittedly a difficult matter to deal with, but it is apparent to all that some steps must be taken to prevent the camp ground being used as a Sabbath resort and playground by those whose only object in being present is to see and be seen.

SUMMER AND WINTER MILK.

James Crichton of Scarboro Junction is another dairyman who believes that it costs more to produce milk in summer than it does in winter. "At most," said he the other day, "we have not more than a month or six weeks of pasture and not a great deal even then. We have to feed more or less all summer, so that the cost of feeding is just as great in the warm months as in the cold ones; and as time is more valuable in summer than winter, this throws the balance in favor of winter production. Besides, with our warm stables, cattle will give more milk in winter than they will when tormented with flies in the hot season." Speaking of what cut feed will do, Mr. Crichton said: "I run between two and three acres of corn and that, with meal, etc., will feed 24 or 25 cows during the months of August, September and October."

Gardner-Johnston.

On Monday morning last, at nine o'clock, Trinity church, Lansdowne, was the scene of a very pretty wedding. The church had been very prettily decorated with cut flowers for the occasion by the many friends of the bride. The contracting parties were Mr. George Gardner of Seely's Bay and Miss Maggie, third daughter of Mr. Peter Johnston of Oak Leaf. The bride was attired in a navy blue broadcloth travelling suit and was attended by her sister, Miss Bell Johnston, who was similarly gowned. The groom was ably assisted by Mr. Champ McKinley of Seely's Bay. After the ceremony the happy couple left amidst showers of rice and best wishes for the wedding trip which will be spent at Toronto and Niagara Falls. The many presents received attested to the high esteem in which Mr. and Mrs. Gardner are held.

Reporter Hunt Club.

The Reporter Hunt Club met in Brockville on Wednesday last, on call of the president. Those present were E. A. Geiger, president; B. Loverin, Sec. Treas.; P. Halladay, Chas. Stagg, and L. R. Cossitt. Dr. Coon was detained by professional duties and Messrs. S. M. Ripley and Wm. Dawson were at Rideau Lake on a fishing expedition and the notice of meeting did not reach them in time. B. W. Loverin was prevented from coming by pressure of farm work. The question of selecting a new location for the annual hunt was fully discussed and it was finally decided unanimously to go to Restoule lake in the Parry Sound district for this year, and arrangements were made to send the boats and camp fixtures by team from the old camp near Magnetawan to the new location. Mr. Thos. H. Smith, who acted as guide for the party some four years ago, in writing about this new location says "It is the best all-around place for deer and fish that I have seen during my forty years' experience as hunter and guide." With such a place to hunt in, the record of the Reporter club is likely to be fully maintained as in former years.

The party will start for the hunting grounds about the 27th of October and be gone three weeks.

WASHBURN'S

MONDAY, Sept. 3.—Harvesting is about finished. Last week four thrashing machines were running at the same time within a distance of three miles on the stone road.

Excepting hay, all crops are very good; corn is rather extra. Grass is green and plentiful, causing a good flow of milk. With the high price of cheese, farmers' prospects in this section were never brighter. Even Ed. Davis smiles when he views the big crops on his farm, with all market prices so good.

Mr. William Webster is much improved in health.

The Lett Kelly farm is still, we understand, waiting for a purchaser at a bargain.

Mr. Tom Ross is recovered sufficiently to be able to go out a short time.

E. C. Bulford wishes to buy six young pigs to winter. He says "no Tamworth need apply."

GREENBUSH.

MONDAY, Sept. 1.—Mrs. G. Canon of Singleton is visiting her friends in this section now.

Mr. Lewis Moore of New York is spending his holidays with his mother. The stone crushers are breaking large quantities of stone, which will greatly improve the roads in this section.

Mr. Simeon Loverin has purchased a barn belonging to Mr. Bot-ford and moved it to his premises this week.

Howard Blanchard is laid up at present with a broken wrist. He is under the care of Dr. Dixon.

W. Smith of Elgin has returned home after visiting his many friends here.

Mr. H. H. Miller of Parry Sound is spending some time with friends here. Mr. Miller spent his younger days here and has many friends.

Mr. A. Hamlin, Almonte, is spending a pleasant time at present with his relatives here. In his younger days he carried on a successful business in the furniture line in Greenbush and afterwards moved to Almonte where he has since resided. The weight of years is telling on him as he is getting quite feeble, being 81 years of age.

DELTA.

MONDAY, Sept. 3.—Miss Eva Singleton of Carleton Place is at present visiting her friends here.

On Thursday evening last a very pleasant time was had at the camp of Mr. and Mrs. Geo. Morris. Having invited a number of ladies and gentlemen and furnished them with lots of corn and plenty of coals, they enjoyed themselves roasting and eating corn. Having finished this, a little fun was had by blacking the faces of those present. All took it in good part and returned home well pleased with the evening's sport and feeling thankful toward Mr. and Mrs. Morris for their kindness.

The agricultural implement agents are plentiful this year and a good deal

of machinery is being disposed of in this locality.

Road work is now on in some divisions and there is plenty of work to do as the roads got a bad shaking up in the spring.

School opened on 27th, with Mr. Byron Yates and Miss Anna Allen at their old posts. There is every prospect for another successful term.

Thrashing in this locality is at its zenith. The farmers are well pleased with the yield.

Miss Minnie Bell, who attended the Epworth League convention at Maynard as the delegate for this place, has returned home.

Rev. Daniel Earl, B.A., was in attendance at the Epworth League convention at Maynard and was elected president.

Miss Iva Hawks of Addison is visiting at Mrs. W. J. Birch's for a few days.

TOLEDO

MONDAY, Sept. 3.—On Saturday morning last our citizens were awakened by the sound of excessive "banging" on the east side of our village. At first, some of our nervous citizens thought that we were being attacked by Boer sympathisers, but, on remembering that Saturday was the first day of September, they decided that the banging was at Mud Lake where the wild ducks were being attacked by a small army of hunters. We understand that the ducks are very scarce and that the boys met with poor luck.

Miss Rena Coad, who has been the guest of Miss Ethel McCrum for some time, has returned to her home in Brockville.

Mr. and Mrs. James Sexton, who have been the guests of Mrs. Edgar for some time, have left for their home in Kingston. Miss Viola Edgar accompanied them with the intention of renewing her studies in the collegiate institute of that place.

Miss Alberta Phelps of Delta, who has been the guest of Miss Viola Edgar, has returned home.

Toledo will be represented in the Athens high school this year by Misses Mabel and Rena Dunham and Miss Maude Singleton.

It is a source of regret to many of our citizens that we are about to lose our druggist, Mr. E. J. Williams, who intends leaving this week to take up a business stand in Brockville.

Our village band has been engaged to play at a picnic at Jasper on Wednesday next.

Miss Minnie McLean of Arnprior is visiting her many friends here.

Mr. Tom Weir of New York has been in town visiting his old friends.

On Thursday night last a very pleasant evening was spent at the regular meeting of the Epworth League, it being the occasion of a farewell social in honor of Mr. E. J. Williams. The Toledo young people of all denominations were present, and in response to an invitation the Frankville Epworth League was also well represented. An excellent programme was furnished by Toledo and Frankville talent, after which ice cream and cake were served. During the evening Mr. Williams was presented with two volumes of the works of Henry Drummond with an address which expressed appreciation of the services he had rendered in the church, choir, and League, the regret that all felt at losing him from their social circle, and wished him every success in his new place of business. The address was signed in behalf of the League, by H. H. Hillis, president, and E. L. Luckey, secretary.

Miss C. Gilbert has returned home after a pleasant visit to friends at Kingston.

Mrs. Wm. Gilbert has returned home after visiting friends at Watertown, N. Y.

Mr. Robt Gardiner of New Boyne visited friends here the past few days. The Sir. Maggie May and barge Dandy are being repainted, after which they will take a load of drain tile to Alex. Bay.

The farmers have finished the grain harvest.

LIKE A NEW MAN.

"I would say to all those suffering from that dread disease, rheumatism, 'Give Dr. Hall's Rheumatic Cure a trial and be convinced of its merits.' It is the recommendation of Mr. W. C. Switzer, Harrowsmith, Ont., a man 70 years old, who was a sufferer from sciatic rheumatism for ten years, and who never expected to find relief from this terrible disease this side of the grave. He had tried every known remedy recommended for the cure of rheumatism without obtaining relief, until he started taking Dr. Hall's Rheumatic Cure, of which he took six bottles, and found a perfect cure. He says he finds himself 'like a new man,' entirely free from pain, his appetite is good, and he sleeps well.

Dr. Hall's Rheumatic Cure is put in 50 cent bottles, containing ten days' treatment. For sale by all druggists and dealers in medicine. The Dr. Hall Medicine Co., Kingston, Ont.
