AFTER STANDARD OIL.

The fine imposed in Chicago on Saturday against the Standard Oil Co. for the enormous total of \$29,240,000 was inflicted because that concern had accepted rebates from the Chicago and Alton Railroad on shipments of oil.

In other words the Standard has been receiving favorable treatment as against competitors, by railroads which should treat all alike.

It is now announced that the result of this fine has been to arouse a general campaign against the Standard people, covering practically the entire country between the Atlantic and the Rocky Mountains.

The Standard people with their enormous resources will of course fight to the bitter end, but it is an encouraging sign when it becomes established that it is possible by legal methods to curtail some of the unfair advantages secured by this undoubted octopus.

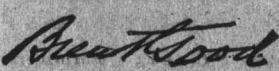

Interviewed in Victoria, B. C., J. Keir Hardie, M. P., the leader of the Labor Party in the British House of Commons, said: "The condition of the workers in Canada is, as far as I can see, about the limit of subsistence. Income and expenditure about balance and it is my opinion that the condition of the worker will become worse. The next generation will find the struggle for existence just as keen here as it now is in the old country. I attribute this condition mainly to the present insane policy of allowing public lands to be given to or acquired by speculators."

Bad Symptoms.

The woman who has periodical headaches, backache, sees imaginary dark spots or specks floating or dancing before her eyes, has gnawing distress or heavy full feeling in stomach, faint spells, dragging-down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, with or without toxic catarrh, is suffering from out of tune catarrh, a suffering from weakness and derangement that should have early attention. Not all of above symptoms are likely to be present in any case at any time.

No medicine extant has such a long and numerous record of cures in such cases as Dr. Pierce's Favorite Prescription. No medicine has such a strong professional endorsement or such a large number of ordinary non-professional testimonials. The very best ingredients known to medical science for the cure of woman's peculiar ailments enter into its composition. No alcohol, harmful, or habit-forming drug is to be found in the list of its ingredients printed on each bottle-wrapper and attested under oath.

In any condition of the female system, Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the stomach and other organs of digestion; nerves are weakened, and a long list of unpleasant symptoms follow. Too much must be expected of this "Favorite Prescription." It will not perform miracles; will not cure tumors—no medicine can. It will, often, prevent them, if taken in time, and thus the operating table and the surgeon's knife may be avoided.

Women suffering from diseases of long standing, are invited to consult Doctor Pierce by letter, free. All correspondence is held as strictly private and accorded confidential. Address Dr. R. V. Pierce, Buffalo, N.Y.

Dr. Pierce's Medical Advice (200 pages) is sent free on receipt of at one-cent stamp for paper-covered, or 20 stamps for cloth-bound copy. Address as above.
