Now-and Then

YEARS ago when none of us knew better we took our wheat to the village mill and our good friend the miller ground it for us the best he could.

ground it for us the best he could. It wasn't his fault if our wheat was mostly grits or if it was frosted or smutty. He did the best he could with the materials we gave him and the facilities he had for grinding. The making of flour to-day is not a mere grinding process. The great Ogilvie Flour Mills of to-day are a vast commercial enterprise extending from ocean to ocean.
