Editorial Notes.

at 7.30 o'clock.

The Dominion Parliament opens ton.orrow, Thursday, April 18th. The probabilities for the session seems to point to a long and exciting one, the Opposition being expected to bring up many questions they think calculated to strengthen cheir forlorn position in the public regard and the Government will vigorously meet then on every point raised. It will be a continued struggle between the outs and the ins, with the odds largely in favor of the government party.

The elections for Haldimand, Anticonstituencies as follows :-Antigonish, N. S .- Jos. A. Chisholm. Conservative; Hon. Angus McIsaac,

The B. Laurance Spectacles

are the finest manufactured, are never soil does peddlers, and can only be obtained through recognized agents.

As Mr. Laurance makes regular visits to his agents there should be no need of persons, who value their sight, to buy their spectacles of peddlers, or of those of the persons, who value their sight, to buy their spectacles of peddlers, or of those of the persons, who value their sight, to buy their spectacles of peddlers, and who charge most spectacles.

The Drive of single copies of The Union Advocate is only two cents.

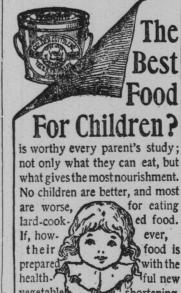

The World still persists in calling the statements made in the Abvocate is only two ceats.

The World still persists in calling the statements made in the Abvocate is only two ceasaion for an ever been larger for four years than it is about the work as 505,000,000. Secretacy Carlisle Spolieves that there is absolutely no occasion for an extra cassion of Congress for the purpose of providing revenue to carry on the gov't. The present heavy balance will, he says, swore to only what they knew as to the manner of dispensing drinks, and they perhaps that any such deficits will occur. There has been a steady increase of late in both the customs and internal revenue receipts, due to the improvement in business.

A critical friend of mine suggests that there is something in Washington life which develops crankiness. The question is pertinent. Why is it that so many earnered continued the treatment until I had used twelve boxes of the pills. This was in the stores of any rheumann of the continuent of the con

session of Congress will be short and un-eventful. Some statesmen here say the wish is father to the thought.

Woo'l parties are all the Wool parties are all the rage now. J. R. L. as everybody wants to get their wood cut up for summer's use. As the young mea are not very busy at this time In front of Lombard's fish market, Port- of the year they go from house to house land, Me., on April 4th, the first Penobscot cutting up their neighbors' wood and

instead of lard, they can eat freely of the best food without danger to the digestive organs. You can easily verify this by a fair trial of Cottolene. Sold in 3 and 5 lb. palls by all grocers.
