However, time will tell!

The entertainment held in the Temperance Hall last Monday night in aid of the S. S. organ fund was very successful both financially and intellectually. The hall being crowded to its utmost capacity. The program was as usual a first-class one; the dialogues were acted splendidly, as also the singing and recitation. The instrumental quartette given by Messrs. Porter, Cameron, Smith and Beecum was excellent. One of the features of the evening was the auctioning off of the handsome autograph quilt, which after some hot bidding and considerable excitement was purchased by Mr. R. D. Morris, of Goderich. Considerable speculation is rife as to what use he intends to put it. The melodrama was also auctioned off. Candies were passed around during the evening. All present were highly pleased with the whole performance.

Too much praise cannot be given to the members of the choir of North st. Potter, in his usual able and pleasing manner, presided over the meeting.

In spite of bad roads and the unfavorable weather of the past six weeks he canvassed personally, and the results so far have been \$160 75. Half the amount was paid to him and was applied to the debt on Tuesday last week. The Captain deserves a warm vote of thanks for his efforts on behalf of the congregation. For the missionary and church purposes of the Presbyterian Church of Canada, collections have been taken here within the past three weeks by Misses Lawson and K. McErad in the southern part of the congregation, while the northern part has been attended to by Misses Norton and E. Latta. All met with fair success from parties called on.
