The Did Not Go to Stay.

The southwest has been drawing a heavy movement of settlers for a couple of seasons on account of extremely low rates-rates which were lower than to any section of the country. But it is laimed that many of the homeseekers who have taken advantage of these low rates did not take the trips with any intention of settling in the souhtwest. An aceptionally large number have travelresponsible for the assertion that many morning. of the new settlers in the southwest have taken up their stakes as soon as they realized the position they were in and taken up homes in the Canadian northwest

the southwestern lines have come to a realization that their campaign for new results fro mthe fact that they have anctioned to cheaper rates being granted to the Canadian northwest thi vithout making a fight, which it is believed they would wage if they knew that they could stem the tide of immigration

the staters, has been raised \$5 this year. On the other hand a maximum rate has been stablished to points in Western Saskathewan and eastern Alberta. This is the first time that any maximum rate has been made to apply to anywhere in as been made to apply to anywhere in he settlement of that territory.

How Rates Have Been Equalized. The following comparison shows the nanner in which homessekers' rates have been equalized to the Canadian Northwest and the Southwest: Last year, it cost the homeseeker only \$34 to go from Chicago to El Paso, Texas, and eturn, while he was charged \$50.30 to Macleod, Alberta. This year, the tariff quotes a round trip rate of \$40 from Thicago to Macleod, and \$39 from Chiago to El Paso and return. The disompetitive territories.

Besides these rates quoted by connec

ting lines in St. Paul, the Caradian which are lower in a considerable dewas also insane at the time of the homicide, and then endeavor to limit all testimony as to the defendant's mental condition to the immediate period of the tragedy. If successful in this the defense would force a trial of this kind in St. Louis. In one instance, the of this kind in St. Louis. In one instance, the ance I even secured admission to the office of the president of the road and similar to the road and successful in the first place on nothing for me in the first place on nothing for me in the first place on read arbitrarily. For instance, the down then there were no policemen and on when there were no policemen and single waymen infested the streets.
