"Wants to Race"

Editor Evening Telegram Dear Sir .- I was much interested

ges and arguments by Agents of the ed congratulations were extended, and different motor-engines for sale here I own a FRASER 6 H.P. My boat is a heavy and very unlikely looking run a FRASER engine the entire sumracer, length 29 feet, width 7 feet 6 mer and give more power, mileage, and inches, also very dcep

I claim the FRASER 6 H.P. th fastest engine of its size on the against them all. Mr. William Baggs said, some lively matters will come up of the Northside Battery has a 71/2 H.P. Ferro, in a much smaller bea than mine.

I hereby challenge to race him any 6 H.P. of same weight and price miles for \$100 a side. Race to be run using kerosene exclusively. My brother Joshua has a 71/2 H.P. FRASER, five years old, working good as the day he placed her in hi race any other engine of same size

for any reasonable amount. We have tried the FRASER out the past five years and have found nonto wear so well, go so well, or act so well. \$20 worth of kerosene will run | matter. a 6 H.P. FRASER for the entire season and give more power than

southside Battery, St. John's Nfld.

The Pantomime.

perfectly safe, in case of accident, It's always best to be prepared be fore hand, and Jack Rossley wishes from their friends.—Com. to assure the safety of his patrons. The rehearsals are progressing steadily. On Christmas Day the Panto 29th there will be a Special Matinee, under the distinguished patronage of His Excellency the Governor and Mrs. Davidson, their children and suite. Mrs. Rossley is working very hard training the children and designing costumes. All the costumes are new for this production and for the size of the stage everything that can
