

REID-NEWFOUNDLAND CO.

Bronze Motor Boat Propellers.

Our Bronze Propellers are designed to the true screw principle. They have large blade areas, and are therefore particularly efficient in attaining the highest speed and also give the Best Results when used in connection with heavy duty Engines, such as are now in use all around our coast.

Pay to the order of Your Wife \$1,000

That would be a mighty nice thing for her to receive if you were to meet with a catastrophe to-day.

Pay to the order of Yourself

\$5 per week and Doctor's bills and other expenses. That wouldn't be so bad if you only met with a slight mishap.

And what's the cost of a Policy that will do all that? ABOUT \$5 PER YEAR.

See me about it.

J. J. ST. JOHN.

January month the general topic was the War, next to it was the handsome pieces of Silver got free at St. John's Grocery Store for Coupons.

We are doing the same this 1915 and are finding all our former customers buying more freely than ever, and are making new customers every day. And why not?—when we are giving to every customer 10c. on the dollar spent on groceries. And again, we use our best energies to please our patrons. In fact ours is the store of satisfaction. Every 10c. spent you get one cent; every dollar spent you get ten.
