SINCLAIR CONS. OIL!

Organized as a holding company in 1910. Common shares outstanding, no par value, 2,297,240. The "High" price of 1910 was \$44.25 and the "Low" was \$41.12, while the High of 1920 was \$45.75 and net earnings were \$5.50 per share. The 1920 report is expected to reveal a very satisfactory state of affairs, and it looks as if the old figures must soon return. The December output showed the largest month on record, and all factors considered, we believe SINCLAIR is headed for a higher market.

CURRENT QUOTATIONS \$24.12.
We advise the purchase of this issue and offer you the fullest facilities for prompt execution of your orders.
