

Ayrshire farmers have pretty generally adopted the double-furrow plough.

Another Spanish colony shows signs of a desire to revolt. Some two hundred native soldiers of the Philippine Islands rebelled and took possession of the garrison fort, but the fort was recaptured by the regular troops, and the insurgents slaughtered.

Breakfast—Epps's Cocoa—Grateful and Comforting.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctor bills.

Poverty is bad, but the worst kind of poverty is poverty of the blood; this makes a man "poor indeed," for it takes away his strength, courage and energy; but enrich the blood with its vital element, Iron, by taking the Peruvian Syrup in moderate doses, and you will feel rich and "as good as anybody." Try it.

It is now generally admitted by honest physicians, that when once consumption is fairly fastened upon the lungs, no human power can save the patient from death. They also say that about fifty per cent. of those who die from this disease can trace the cause to a neglected cough or cold, which might have been cured by a small bottle of Liquid Opodeldoe, or what is the same thing, Johnson's Anodyne Liniment.

Consumption, Bronchitis, General Debility.—Caution.—Hypophosphites.—Fellows' Compound Syrup of Hypophosphites.—As this preparation is entirely different in its combination and effects from all other remedies called Hypophosphites, the public are cautioned that the genuine has the name of "Fellows & Co." blown on the bottle. The signature of the inventor, James I. Fellows, is written with red ink across each label, and the price is \$1.50 per bottle.

Wife to Husband—(Rubbing the Pain-Killer on his Rheumatic Shoulder.) It's a great pity such a good medicine as Perry Davis' Pain-Killer is not more extensively used, just see what a world of good it has done even since we have had it. George don't have the toothache any more, he's cured. Freddy had a severe attack of Fever, it has cured me of Dyspepsia, and I know it will relieve you of Rheumatism.

Husband—You are right, Mary; the Pain-Killer seems to fire up the cold corners of my shoulder and put new life into it. It certainly does act instantaneously. I do think, my dear, I am cured already; (meditatingly) well, well I have heard said of it is true, my shoulder is free from pain for the first time for these two months.

Wife—It is strange we never have been induced to try it before. I should have thought you would have been often advised to try it. Husband—I have had the Pain-Killer recommended many times, but between the Doctors and Druggists it was almost as hard to keep me from using it by suggesting other trash that has done me no good.

Wife—People seem to enjoy paying the Doctor five to ten dollars every now and then to experiment on them, when a twenty-five cent bottle of Pain-Killer would give them immediate relief, and then the Doctor's are so obliging it is very hard to say "I want Perry Davis' Pain-Killer and nothing else will do," and they refuse to buy their trash.

To be continued. The Pain-Killer is an internal and external remedy for pain. For rheumatism, Gout, Sprains, Sudden Colic and Bowel difficulties, a few drops in water will give immediate relief. As a Rheumatism it is almost an equal to the pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

FELLOWS COMPOUND STRIP OF HYPOPHOSPHITES. A safe life-giving tonic, whether they be Blisters, Blisters, Blisters, or even Zoster, and subjects of the Vegetable Kingdom are governed by vital force, which sustains the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is in itself a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the salts, muscles and nerves, and it is by introducing these ingredients in proper proportions the brain and nervous system are strengthened.
