During 1893 the policy-holders received \$20,885,-472 40, against \$19,386,532 46 in 1892. The Mutual Life has now policies in force insuring \$803,284,738 46. At St. George's vestry meeting there was a small attendance. Mr. Rhoder was appointed to act as vestry clerk. Jones; people's

warden, J. E. Jolly; sidesmen, north aisle, E. J. Houghton, A. Belding and A. Mc-Mullen; south aisle, C. Nichols, C. Paul and T. R. Roller; auditors. Thos. Howard and H. Jones; ushers, F. J. S. Pearce. Dr. Sippi and George F. Jewell were appointed auditors for Woodland Cemetery accounts, and Messrs. Geo. Laing and E. Paull for cathedral accounts. The usual \$100 was granted to the Sunday school. All the old sidesmen were reappointed with the additions of W. T. Strong in the

south, F. J. Hammond in the center, and Col. Fisher in the north. The principal discussion of the evening related to the pew rents of the new Cathedral. After a long debate the rents were fixed at \$50, \$45, \$35, \$30, \$20 and \$15, according to location and size. The seating capacity is estimated at 1.150. A resolution was introduced and carried

The financial statement submitted was a satisfactory one. The receipts for church purposes exceeded those of the previous ear by some \$200, and the year's assets ver liabilities were shown to be \$144.

The report was left with the auditors, Messrs. Edwards and Broderick. The sidesmen for the ensuing year will oe Messrs. Anthistle, Loughrey, Allardice,

Williams, Smith and Elliott. The rector's report was a comprehensive document. Among other details of interest it referred to the losses the parish had sustained by death, the rector's personal visits, the baptisms for the year, the number of communicants and the amounts contributed to missions and special purposes. The story it told was one of steady growth in almost every department of the church. One of the rector's suggestions, that of the appointment of a select vestry to act with the rector and wardens as an advisory committee in all matters of finance and church building or extension, was acted upon at once, and Messrs. A. H. Smith, Anthistle, Broderick and Grant were elected to the

new office. A spirited discussion took place as to the possibility of introducing the free pew system at an early date. The meeting was practically unanimous in its advocacy of the change, and steps will be taken at an early date to test the feeling of the congregation.

Alluding to the work of the past year, he stated that the various organizations were all in good working order, including the W. A. M. A., the Mission Band, the Sunday school, the Christian Endeavor, the King's Daughters,

the Ladies' Aid, the Band of Hope and Mercy and the Guild. The people's warden, Mr. W. O'Brien, read the financial report for the past year, showing the funds to be in advance of the previous year. The report was received

and referred to auditors. The rector renominated Mr. Cullis as his warden for the ensuing year. For people's warden Messrs. O'Brien, Winder and Welch were nominated. Mr. O'Brien withdrew his name and the vote resulted in a tie between Messrs. Winder and Welch. The chairman decided the question alphabetically and declared Mr. Welch elected. On motion Messrs.
