burgh will be conferred upon the pre-mier of Canada, Sir Wilfrid Laurier. The Paris Figaro says President Faure will embark at Calais for St. Petersburg, and that, in accordance with the wishes of the czar, Emperor William will return from St. Peters-burg by land, so as to obviate the difficulties which might arise to a meeting of the French and German fleets.

A Constantinople dispatch says: The sultan now shows signs of yielding on

The German naval bill being prepared by Admiral von Tirpitz, the new secretary of the navy, provides for a loan of 150,000,000 marks, of which 90, 000,000 marks is to be devoted to the construction of battleships and 60,000,-000 marks for building ironelad cruisers. The bill will be presented to the Reichstag in the fall.

The funeral of Miss Helen Miller, daughter of Rear Admiral J. N. Miller, U. S. N., who died from typhoid fever on Saturday last, took place on Monday at St. Alban's Church, London. The interment took place at Woking Cemetery.

The Daily Chronicle says it has reason to believe that there is a move-ment on foot to make the Duke of Connaught adjutant-general of the British army, which would pave the way to the post of commander-in-

Commenting on the banquet of the American Society in London, the Daily News says: It is a pleasant reflection that some of the most eloquent, gen erous and genial references yet mad during the jubilee festivities have emanated from Americans.

Meeting of the Premiers.

Penny Postage to the Colonies Virtually Agreed Upon,

Representation of the Colonies at Westminister Advocated.

London, July 6. — Some important point of view, say it was "quiet." It matters were discussed at the conference on Thursday between Colonial has been so uneventful.

Chamberlain and the col
Nonquitt, Miss., July 6.—Henry B. onial premiers. The leading subjects Stone, of Chicago, vice-president of the Chicago, Burlington and Quincy Railwere a penny postage to all parts of way, was instantly killed by the exthe empire, the establishment of a plosion of a bomb at his summer home naval reserve in the colonies, and military co-operation with England on the part of all the colonies. The conthe part of all the colonies. The con-ference brought out the suggestion threw it from him, but the explosion dominions had been in her grand-father's place, or if that Queen's son had been there, things might have been different; but they are far better as they are. The colossal development been different; but they are fall better as they are. The colossal development of the American Republic would have been impossible on colonial lines."

Legisland Control of the American Republic would have been impossible on colonial lines."

Montreal would cost 2 cents. A more killed.

Montreal would cost 2 cents. A more killed.

Macon, Mo., July 6.—At Ethel a missipped and the fell, instantly killed. CANARDS DISPOSED OF.

London, July 6.—The parliamentary would be the cases of Detroit, Mich., secretary for the foreign office, Mr. George N. Curzon, replying to a question in the House of Commons, said the government of Portugal had as-

several German financial houses, and that the syndicate would pay Portugal a large sum for a new charter for the Mozambique Company, including the whole of Delagoa Bay and its entire administration.

The statements of the Washington correspondent of the Daily Chronicle to the effect that correspondence is about to be submitted to Congress regarding. Beging Services of the syndicate would pay Portugal at present in the colonies—the proposition is to have recruiting officers established in the colonies, including Canada. The Premier of South Africa was especially in favor of this, in order to give an opportunity to enroll imperial troops at the Cape. It would give an opportunity to enroll imperial troops against President Kruger, of the Transvaal, on his own ground.

At the next meeting of the premiers
