THE MARKETS.

LOCAL MARKET. London, Monday, Feb. 9.

Business was quiet on the market here. On a great many of the roads leading to the city there is neither sleighing nor wheeling, which no doubt interfered with the deliveries of hay and grain, which form the principal offerings on this day of the week. No grain was offered.

Hay and straw-Seven loads of hay were offered, which brought \$9 and \$10 per ton. The demand is good for choice hay. Straw is in fair demand at \$5 50 per ton or \$3 by the load. A carload of live hogs was purchased here today by Mr. D. McIntyre, for which he paid \$5 65 per cwt for selects. AMERICAN MARKETS

All over the world is heard the cry for deeper channels in the waterways. A scheme is now being agitated for damming the Niagara River in order that the waterways of the Great Lakes may be made deeper. Congress is being pressed upon to appropriate money for a 30-foot channel in the Delaware River, and a movement has been organized for the purpose of securing deeper channels in the New York harbor. Serious complaint comes from London, where the shipping facilities are insufficient, and so on all over the world the demand for deeper channels. The reason of these enteries is clearly shown by the son of these outcries is clearly shown by the comparison made in the accompanying picture, which represents a typical vessel of 30 years ago, the largest then in use, beside one of the monsters in commission today.

THE VENEZUELA MUDDLE ON VERGE OF SETTLEMENT

Protocols Are Signed.

Roosevelt's Refusal to Arbitrate Greatly Regretted.

Irritation at the Behavior of Bowen.

London, Feb. 9. - The announcement protocols are in course of preparation, was in sight. There have been private property claimed to have been seized expressions of intense irritation at Mr. Bowen's alleged breach of etiquette, but these have never been allowed to interfere with the determination, German diplomats, to secure a termination of the difficulty through any

Ambassador Herbert's strictures Berlin, London and Rome, whence the representatives of these powers at Washington were instructed to present

The refusal of President Roosevelt to the powers shall receive preferential treatment in the settlement of their but it was anticipated here.

AS A LAST RESORT. strong disinclination of the to The Hague court of arbitration was founded chiefly on the fear that between now and the rendering of the court's decision new complications may arise, and the decision to refer the matter to The Hague was only arrived at as a last resort when the negotiations threatened to drag on indefinitely. The officials here are confident The Hague court will give the allies at least some measures of different treatment in the settlement of claims from accorded to the other nations who did not take aggressive steps to secure their alleged rights. Beyond some comparatively slight deliberations over the wording of the protocols, no further trouble is expected here, where the raising of the blockade will be re-
