At the council meeting last night Ald. Forristal brought up the matter of the operating of cars on the Hamilton road and Oxford street lines, and a discussion which cleared the atmosphere in this regard followed. A deputation headed by Ex-Ald. R. W. Bennet, representing the people of East London, as well as of the entire portion of the city proper below Dundas street, was present, to urge that the cars be run both ways on the Hamilton road. On the other hand, a petition signed by at least a couple of hundred persons was presented to the council praying that the cars be operated as at present-that is, one way.

The whole trouble arose through the city engineer granting Manager Carr's request to be allowed to run cars on the line one way during the camp on Carl-Stop-over can be had at Philadelphia ing's Heights.
