COOK "EXPLAINING" BY THE WIRELESS

Says He Will Have All Ready to Prove His Case Soon After Arrival Home.

On Board the Oscar II., by United wireless and Marconi wireless telegraph, via Halifax, N. S., Sept. 19 .--At Least \$250,000 Damage by a Ter- Dr. Frederick A. Cook evinces the strongest desire to arrive in New York as quickly as possible. He is Midland, Sept. 19.—One of the most anxious to prove to America the veramander Peary and others do not cause him the slightest concern. He has a

About 9 o'clock this morning the fire answer he would make to these charges was discovered in a lumber pile on the east side of the yard, a few feet Dr. Cook said this afternoon: "I will from the esplanade on the water front. not enter into any controversy until I The alarm was quickly sent in, and know definitely what has been brought the fire brigade and hundreds of cit- against me and whence it emanates. izens were soon on the scene. A stiff Commander Peary's general charges breeze was blowing, and the flames do not call for any response from me spread so rapily that little hopes were until he gives to the public as much entertained of saving the mill, but in as I have. He has given few details addition to the streams from the hy- of his journey, claiming that he reachdrants, engine and mill hose, a bucket ed the pole on a certain date, without

heroic efforts the mill has been saved, "His accusations are founded purely although it was on fire a number of on statements given him by an ignorant man, whom I purposely kept from The stables of the firm were also learning the facts. When I land I consumed, and the office had a very will examine the charges and reply close call. The firemen worked like when the proper time comes. Peary's trojans for about seven hours, until declaration that he is the only man who has been to the pole and will It is fortunate that the mill was prove it still awaits proof. As to the

but also to the mill firm, as tramways "I have already expressed my readiand everything in the yard was con- ness to place my observations before a committee from scientific bodies, and

When the report was received in the afternoon that Commander Peary was The stock at a rough estimate would still at Battle Harbor, Dr. Cook said: amount to about 15,000,000 feet in "I regret greatly that Commander addition to lath, slabs, etc., and total Peary is not returning at the same loss estimated at a quarter million time as I am. I should have liked to

Referring to the final examination of covered an area of about fifteen acres. his records and instruments, Dr. Cook said: "Within two months at the outside, probably earlier, my records and instruments will all be ready for the official tests. I shall then send them to Copenhagen University, which has the first claim, as it was the first officially to recognize my work in the discovery of the pole. After that they will be at the disposal of any expert

committee." SITE DECIDED UPON

FOR THE NEW CENTRAL Likely To Be Erected at Dunbarton on the Kingston

Road. Toronto, Sept. 20.—Dunbarton, small village situated seventeen miles A. R. Pyne, with Mr. F. G. MacDiar- from Toronto, on the Kingston road,

The Government has secured an onion on about 400 acres of land at sion having been asked to visit the Dunbarton, and it was learned today Capital City, and look into the special from a well-informed source that the penal settlement would be established on the property. Mr. Postlethwaite. of report in the hands of Hon. J. S. Duff, the department, said the Government minister of agriculture, in the early had several sites in view and that a final choice had not vet been made. It is understood that a meeting of the cabinet will be held within a few days, after which an announcement of the choice of a site will be made, together with plans for the early com-

mencement of construction.

the intention of the department to commence the construction of the main building as soon as the site is secured, Dunbarton is regarded as being a was attacked by a bull moose.
