EAST LONDON FACTORIES
TO FORM EAST END LEAGUE

Will Take Place of Old East End League—Several Firms Have Signified Intention of Entering, and Much Interest Is Being Displayed in Plan.

A movement is on foot in East London at present to organize a factory league, composed of teams representing manufacturing concerns in that part of the city to take the place of the East End League (this coming season). A four or six-team league is at present figured on, and there are seven likely concerns to pick from. The games would be played on Saturday afternoons, same as the East End League, and it is thought the league would prove quite popular.

A Big List of Firms.

The firms who have been approached with a view of putting in teams are as follows: Empire Brass, Battle Creek Corn Flake Company, Grand Trunk Carshops, Sherlock-Manning Organ Company, O-Pee-Chee Gum Company, and the Dominion Store Fitting Company. The Globe Casket Company and the London-Petroleum Barrel Company may also enter.

Meeting To Be Held Shortly.

A meeting will be held shortly to complete the details of organization, and decide on the size of the league. There is plenty of material for such an organization, and although the class of ball provided may not be as fast as that of the East End League it will provide a great deal of interest in East London's industrial community, and provide Saturday afternoon entertainment in Queen's Park.

Who's Who in Baseball

Daily Bulletin of Major League Players.

One member of the hospital squad this year is Arnold Hauser, who suffered an injury to his right knee while sliding into second base at Columbus, Ga., soon after the start of the training season.

He hopes to get back in the game soon after the season starts, but the whole team is worried over his mishap.

They see in Arnold one of the greatest shortstops, a player who has improved more in the past two years than any other infielder in the game.

Roman, reader, Mr. Howard Henselwood and E. C. Golding, instrumentalists, and E. F. Hetherington, soloist. The program was given in the clubroom at the Thistle Rink, and was largely attended. President A. J. McGuffin, of the Bowling Club, was in the chair. The program was arranged by Mr. Walter McCutcheon, who took no small part in making it a huge success.

M. J. COLLINS CHOSEN
AS LACROSSE MANAGER

He Will Handle Tecumseh Lacrosse Club This Season—Was at One Time Manager of Young Torontos—An Excellent Selection.

Mr. M. J. Collins, who was at one time manager of the Young Torontos, and during their championship career, was chosen to manage the Tecumseh Lacrosse Club of London at a meeting of the executive committee, held in President Johnston's office last evening.

Has Had Wide Experience. Mr. Collins has long been identified with lacrosse, and he has been one of the game's greatest boosters in this city since he has been located here. He knows the game and can handle the players, and is a hard worker, all qualifications which go to make a good lacrosse manager. He has also a wide acquaintance among lacrosse players, and will likely secure a couple of good players for the London team.

A practice has been arranged for Tecumseh Park this afternoon, and about twenty players have signified their intention of attending. For the past two weeks a number of local lacrosse players have been working out on the L. C. I. grounds, and they are requested to turn out at the Tecumseh Park practices also. The colors of the club will be chosen tonight.

SIDELIGHTS ON SPORT

By Jinx.

BACK TO THE WOODS. The raw recruit is a beauty. Until the middle of May. After that— "Here's your hat, on your way, kid, on your way."

Billy Borland may like Winnipeg best, but bill will have to admit that Collingwood made a deep and lasting impression upon him.

Frank Shaughnessy picks St. Thomas as one of the teams to beat this summer. All of which goes to prove that Mr. Shaughnessy never played against St. Thomas.

They all come back. This balmy weather is the thing. That makes the grasses sprout. It also makes the robins sing. And brings the budding leaflets out.

But there is yet another thing. This weather does, we're told; It's really most useful to bring the HOLD-OUT back into the fold.

Sometimes we cannot help wondering what a baseball magnate's thoughts are when he gazes on a rainy Saturday in May and thinks of all the nice, sunny days there were in April before the season opened.

It used to be "Jo-Jo" Keenan, but now, since that illustrious gent has arrived in Berlin, you'll find it on the hotel register thusly: "Joh Joh Kienahn."

After much deliberation, we have come to the conclusion that the team leading the Canadian League on Sept. 1 will win the championship.

Famous sayings of great fighters: "Dat guy wouldn't have hooked me dat one only me foot slipped."

Mr. Deneau is the most considerate man we ever met. Yesterday he kept the groundkeeper at Tecumseh Park working overtime so that the rake which he was using in levelling the base paths wouldn't catch cold. Yes sir, every time that groundkeeper wandered away from the job to have a rest, Mr. Deneau reminded him that he was letting the rake catch cold, and he went right back to work again.

ALWAYS THE WAY. The weather has been very nice. This past two weeks or so. But next week we'll have snow and ice. The team reports, you know.

MEMORIAL CHURCH CLUB HAS FOUR BALL TEAMS

Will Also Put a Fast Senior Team in the Anglican Baseball League.

Four baseball teams were organized by the Junior Brotherhood of St. Andrew's Memorial Church at a meeting held in the home of Rev. S. R. Heakes last evening. About 100 members of the club were present, and the boys were most enthusiastic. Four teams composed of players, grouped according to their ages, will be formed, and a senior team representing Memorial Church in the Anglican League will also be organized.

Managers and captains of the teams were picked, and the boys will get busy next week and pick the line-ups. Mr. Heakes donated the sum of \$15 to each team as a fund to start off with.

Wolcast Is Favorite Over Tommy Murphy in Today's Big Bout

[Canadian Press.] San Francisco, April 19.—Ad Wolcast, former lightweight champion, was a 10-to-8 favorite over "Harlem Tom" Murphy, a few hours before the men entered the ring today for the 20-round bout. A possible fight with Champion Willie Ritchie in the near future for the winner added interest to the battle.

Both men declared themselves in fine condition before the fight, and expressed determination to bring it to a definite issue.

BOSTON RUNNERS BREAKING RECORDS Smith, of New York, Establishes New Mark For Twelve Miles. SIXTY RUNNERS START Allan, of Hamilton, Sticking Close to Leaders During First Part of Race.

[Canadian Press.] Boston, April 19.—There were several withdrawals in the Marathon at the last moment and only sixty men started. Starter Brown sent the bunch away promptly at 12 o'clock. During the forenoon the weather had cleared and a warm sun and a dry breeze put the roads in fine shape for speedy work. The path stretched from the starting line just outside the town of Ashland down a slight incline to the village and then on to the eastward. Great crowds were gathered along the route. The first five miles over fairly level going to the first checking point at Framingham was covered by Harry Smith, of Bronx Church, New York, in 21 minutes and 33 seconds, the record being 21 minutes made by Caffery in 1901. William H. Allan, of Hamilton, Ont., was a close second, and George McInerney, of Philadelphia, was 30 seconds behind Allan. Rain began to fall as the runners passed through Natick at the end of nine miles. Smith, of New York, held the lead hard pushed by Allan, of Hamilton, Ont., and Fabre, of Montreal.

COBB WILL ACCEPT AUTOMOBILE OFFER Wires Firm's Representation, That He Awaits Orders—Same Firm Hired Campbell, of Boston.

[Canadian Press.] Chicago, April 19.—"Am now ready to talk business; offer still stands. Await your orders." This telegram from "Ty" Cobb at Augusta, Ga., was received here today by L. J. Coyle, Illinois representative of an automobile supply company, of Logansport, Ind., who announced several days ago that he had offered the "Georgia peach" an automobile and a salary of \$15,000 for one year's work as city salesman of the concern in Chicago. Cobb replied then that he was still negotiating with President Navin, of the Detroit club, but would reply definitely within 10 days. On receipt of the telegram Coyle said he would go to Logansport to discuss the subject with his principals. The same concern recently hired Vincent Campbell away from the Boston Nationals to act as its agent in St. Louis.

GIANTS WON FIRST GAME. Boston, April 19.—New York won the forenoon game from Boston today, 7 to 2, by timely hitting and the erratic pitching of James. James kept the bats of the local team pretty well scattered, and besides striking out ten men, he did not issue a pass. He was given perfect support. Jackson hurt a finger attempting to catch a liner in the eighth. Captain Doyle, of the Giants, did not appear in the lineup. Score by innings: R. H. E.
