B. C. BROOKS ELECTED LONDON T. P. REEVE

Majority Is 155 Over R. W. Dobson, Who Leads Barker by 22.

[Special to The Advertiser.]

ARVA, March 22.—B. C. Brooks was today elected reeve of London Township, to fill the vacancy caused by the death of Reeve Hodgins. The vote was as follows: B. C. Brooks, 1,051; R. W. Dobson, 896; J. Barker, 232.

The vote at the close of the polls stood: Brooks 1,051; Dobson 896; Barker 232.

The interest taken in the election of the reeve of London Township yesterday is shown by the total of 1,051 votes, which is only slightly fewer than the average number polled in January for the election of the entire township council.

The election was held just in time to allow the entire council to form a part of the hydro-rail deputation to Toronto on Friday.

Reeve-elect Brooks is a descendant of Middlesex pioneers, his grandfather having settled in this county in 1831. Mr. Brooks now holds the same farm on concession 1, London Township, on which his father established himself in 1832. The farm is about 350 acres in extent.

Although Reeve Brooks has been out of the council for three years, he has previously been first deputy for two years, and second deputy for one year, and was chairman of the board of road directors. He was defeated in the election for reeve in January, 1912, when the position was won by the late J. H. Hodgins.

Reeve-elect Brooks received friends last night in the township office in the Coote block.

THE BEST REMEDY FOR WEAK BACKS

That Is What James Fair Says of Dodd's Kidney Pills.

Manitoba Man Tells Why Dodd's Kidney Pills Have Become a Household Remedy All Over the Western Prairies.

Melton, Man., March 22.—(Special.)—Just why Dodd's Kidney Pills are so popular on the prairies is shown by the statement of Mr. James Fair, a well-known farmer living near here.

"I was out in the field harvesting, and when I came in to get my dinner, I found the fire out and everything cold, for I am catching a cold. I had a distressing pain across my kidneys at the time, and I was so discouraged I just went and threw myself on the bed."

"Then I thought of Dodd's Kidney Pills and took some and I felt better at once."

"Now when I am tired out and have a pain in my back I always look for Dodd's Kidney Pills. I must say that Dodd's Kidney Pills are the best remedy in the world for these troubles."

Dodd's Kidney Pills are a household remedy all over the western prairies. They only cure back and kidney troubles, but they also cure rheumatism, sciatica, dropsy, Bright's Disease and kindred diseases.

LAST BAR DOWN INTO HUNGARY

London Believes the Fall of Przemysl Leaves Road Clear.

LULL ON BATTLEFRONTS

Main Ports of Dardanelles Narrows Reported to Be Still Intact.

[Canadian Press.]

London, March 22.—The fall of Przemysl is characterized here as the throwing down of the last bar on the gateway into Hungary, and an early Russian advance in that direction is anticipated in England. The German press praises warmly the gallantry of the defenders of this Galician fortress, while at the same time it does not attempt to minimize the effects of its surrender, and expresses uneasiness concerning the result on the long eastern battle front of the Teutonic allies.

The latest authentic information from the Dardanelles sets forth positively that only the secondary defences of the straits have suffered from the bombardment of the allied fleet; the forts in the Narrows are intact.

This report finds confirmation in the present status of the diplomatic situation in the near east, which indicates that the Balkan States are not in any way involved in the quarrel than they were when the battleships of the Allies first appeared off the Dardanelles. In spite of the optimistic tone of the Greek press, it is not generally believed in London that the entente powers have made any further advances to the new Greek cabinet, while in Greece itself there is growing an uneasy feeling that Bulgaria may again assert her primacy in Balkan affairs by taking the first step toward active participation in the struggle.

The lull along the western battle front now apparently is being duplicated in the east, where nothing more than isolated actions are being reported. Aviators of the Allies have retaliated for the German raid on Paris by forces over territory occupied by the German army.

Interest in the blockade centers today on the German aeroplanes on the Dutch cargo ships, one of which flew the flag of the commission of Belgian relief. Holland is awaiting information from the Russian government regarding a formal protest in this connection.

BERLIN'S REPORT. [Canadian Press.]

Berlin, March 22.—Via Wireless to St. Petersburg.—The following report was given today at the war office:

"Two French night attacks near Carcassonne and near the mouth of the Garonne. The German troops were repulsed."

"In Champagne German troops successfully blew up mines and repulsed a French attack near Reims. German advances near Combray. Apremont and Flirey were without success. An attack against the German positions north of Radulville broke down under the German fire. The enemy sustained heavy losses."

Hostile aviators again threw several bombs on Ostend. No damage was done to the military establishments, but several Belgians were killed or wounded. Northwest of Verdun a French aviator was shot down. A French aviator accompanied with two French non-commissioned officers, was forced to land near Freiburg. The occupants of the aeroplane were captured and killed."

"German troops are pursuing the Russians who were driven from Memei, East Prussia. The Germans occupied the Russian town of Krotzingen across the border from Memei, and freed more than 3,000 Germans, who had been dragged away from their homes by the Russians."

"Attacks made by Russian troops on both sides of the Orze River, in Russian Poland, were repulsed. The Russian troops were driven back to the Orze River. The Russian troops were driven back to the Orze River. The Russian troops were driven back to the Orze River."

Paris, March 22.—Via London, 3:45 p.m.—The official communication given out this afternoon by the French war office was as follows:

"The enemy yesterday bombarded Rheims. A German aviator dropped bombs on the town and claimed three victims among the civilians. The Champagne region was under slight progress to the east of Hill 196."

"In the Argonne, near Bagatelle, the French troops were successful in attacks to recapture the ground he lost on Sunday. Both counter-attacks were completely repulsed."
