HADN'T TIME SAYS ROWELL.
Liberal Leader Pleased, However, at Gains in the House.
WOODSTOCK, June 30.—Mr. N. W. Rowell received the results of the election at the Woodstock Young Men's Club, room, and, interviewed later in the evening, made the following statement:
"It is gratifying to find that, notwithstanding the whole weight of the Government forces, aided by the organized liquor interests, we have improved our position in the House. For the sake of the policy for which we were fighting I regret that our gains were not numerous. We were greatly handicapped by the short period we had to prepare for the election. It took up all our time to get candidates in the field."
"I desire to thank the electors of the province who gave us their support, and particularly the large body of volunteer workers who have freely given of their time in this contest. We have brought into the political affairs of the province a new spirit of public service, and hundreds of men who have not hitherto taken an active interest in political affairs have undoubtedly done so in the future. This is the guarantee of the ultimate success."
"Of the policy of misrepresentation persistently and systematically pursued in order to mislead the electors as to our position and policy, I shall not speak at present."

Many Are Parentless.
OTTAWA, June 30.—According to an official report to the Labor Department from its special agent, J. D. McNiven, who investigated the Hillcrest disaster, 86 married men and four widowers, leaving children, lost their lives. The fatherless children number 153.

UNION STOCK YARDS.

TORONTO, June 29.—Receipts of live stock at the Union Yards were 91 cars, comprising 1323 cattle, 2236 hogs, 634 sheep and lambs and 261 calves.

Butcher's Cattle.
Choice butchers' steers by the head sold at \$8.25 to \$8.50; choice steers and heifers at \$8 to \$8.50; medium to good at \$7.50 to \$8.10; common, \$7.30 to \$7.65; choice cows, \$7 to \$7.40; good cows at \$6.50 to \$6.90; medium cows, \$6.75 to \$6.85; canners and cutters, \$6 to \$7.15; bulls, \$6.50 to \$7.50.

Stockers and Feeders.
There was little doing in stockers and feeders, as demand has fallen off and prices were lower. Choice steers, \$8.75 to \$9; medium to good steers, \$8.50 to \$8.75; stockers, \$8.25 to \$8.40.

Milkers and Springers.
The market for milkers and springers was dull and draggy with prices easier, selling from \$45 to \$85, but few reach the latter figure.

Veal Calves.
The delivery of veal calves was light, which caused prices to be very firm. Choice veals \$10 to \$10.50; good calves, \$9 to \$9.50; medium calves, \$8 to \$8.50; common, \$7 to \$7.75.

Sheep and Lambs.
There were 634 sheep and lambs on sale. Sheep were about steady, but lambs sold lower.

Sheep, ewes, light, at \$5.50 to \$6.25; heavy ewes and rams at \$4 to \$5; spring lambs at \$10 to \$11.75 per cwt.

Hogs.
Selects fed and watered sold at \$8.25 to \$8.35.

MONTREAL LIVE STOCK.

MONTREAL, June 29.—At the Montreal stock market, which was held at the Hotel de Ville, which developed in the market for cattle last week, was again the feature of the market today. Prices for steers and bulls showed a further decline of 1c to 2c per 100 pounds, but cows were steady and unchanged. The market was fairly active and full loads of choice steers sold at \$8.50 and picked small lots at \$8.75, while full loads, medium to good cows brought from \$6.50 to \$7 per 100 pounds.

A stronger feeling developed in the market for hogs today, due to the smaller supplies coming forward lately and in sympathy with the rise in prices in the Toronto market at the latter end of last week, consequently prices here showed an advance of 25c to 40c per 100 pounds. Selected hogs sold at \$8.75 to \$9; sows at \$6.75 to \$7; and stags at \$4.25 to \$4.50 per 100 pounds weighed off at \$4.75.

EAST BUFFALO LIVE STOCK.

Hogs—Receipts, 12,000; active; heavy, mixed, Yorkers and pigs, \$8.95 to \$9; medium, \$7.50 to \$7.60; stags, \$6 to \$7; dairies, \$7.25 to \$8.

Deliveries of live stock were required. The lowest or any tender not necessarily accepted.

A. H. MILLAR, C. C. Clerk.

TREAT YOUR TIRES FAIRLY

How many autoists know how to treat their tires as they should be?

Consider, if you will a moment, the conditions under which tires are subjected, with the average car of 3000 pound weight travelling at 15 miles an hour, running over a stone the size of an egg, it hits like a sledge hammer and even though you do not see the injury, one or more of the five plies of under fabric may be broken.

THAT'S WHEN WE CAN BE OF SERVICE TO YOU.
