The Emperoi also received the members of the Govern ment, and was presented with a congratual latery address from the Mayors and municipal control of the control	sions of regret concereing it, wholly satisfactory to Mr. Blaine, are made. In conclusion, the Chilian government states that in complete compliance with our demands, it has the submission of the whole controvers.	had no greater right than an American, except that that fact under the treaties gave them a right to have the case passed upon the y United States courts, and in this way there was created a federal invisition over	Dec. 4th, 1891. NOTICE—I, the undersigned intend to application to the Chief Commission to put Lands and Works for permission to put
B. Ker has received a letter from too name, at Darcey Island, saying that	athrgeon 8c. to 10c. Poultry are none da plentiful, and there is an exceptionally fa vy demand for chickens, this being the	ylight, to-day, one inch of rain had len in this city. All the trains from the rth were several hours late, having been layed by washouts. Serious damage was	cipalities of the great and small cities of the empire. After the military reception, the Emperor presented new colors to the guard regiments, and in so doing, said he hoped and believed that they would honor the new flags in peace, and carry them to victory,	to that unaugust tribunal "your Supreme Court." The answer also declares a sin to cere feeling of friendship for our flag, and to the uniform of sailors. The apology, it may be termed such, is complete in it	all the doings of the State Supreme Court, which showed that the n.en were present when its judgment was pronounced, when in fact they were not bodily present.
