THE MAYOR OF PHILADELPHIA Has Good Words For the Intercolonial Railway.

Among the many recent letters received at the office of the General Traffic Manager of the Intercolonial Railway, expressing appreciation of the excellent train service, is one from the Mayor of Philadelphia, who on frequent occasions has been a traveler between Montreal and Halifax. In the course of his letter the Chief Magistrate of the "Quaker City," after praising the very comfortable conditions of travel that are experienced by those who journey by the "People's Railway," expresses his sincere and hearty thanks for the courteous and attentive manner in which he has been treated on every occasion when travelling over the line. Needless to say such voluntary praise from so prominent a patron of the railway attests great satisfaction to the Management.

Sinking Sensations in the Stomach

Do They Affect You?

These unpleasant feelings of weakness and collapse indicate that the sympathetic nervous system is out of order.

The cause is impairment of nerve tone, arising from failure of the stomach to perform its work.

Acute indigestion follows, and this natural result is mental depression, and a feeling of collapse and extreme weakness.

The best, because the quickest and surest cure, is Ferronine. It acts at once upon the digestive and assimilative functions of the stomach—makes the blood nourishing gives it a rich red color, the best evidence of health.

"For ten years I suffered acutely from stomach trouble," writes Mr. Maxwell Thompson, of Toledo, "at all times I had headache and full feeling after meals. My appetite was poor, and I didn't really eat. It was all due to a weak, defective stomach. I read about Ferronine, and ordered six boxes from my druggist. It was no time at all before I felt much better, and when all the Ferronine was used, I was a new lease of life. I am stronger, brighter, and feel more like work than before trying Ferronine. It is a splendid tonic, the best I ever used."

Ferronine is unrivalled in curing stomach ailments, try it and be convinced. Sold by all druggists in 50c boxes, six for \$2.50, by mail from The Cataractose Co., Kingston, Ont.

The happy couple left Montreal today on the Maritime express for St. John, where they will board the steamer "Thompson" of Britain-on-Friday, December 3rd.

GRAND CASCAPEDIA

It is a long time since any news about our little village has appeared in this paper. I thought I would fill in a little space.

The snow has all disappeared leaving the roads in a very bad condition. Miss Chayor of Point St. Nim spent a few weeks here, the guest of Mrs. Peter Coull.

Joseph Olesany of Cross Point, spent Sunday here.

Preston Woodman who is in the employ of the Montgomery Lumber Co. was brought down from one of the camps on Thursday night by Dr. Cyr, is attending him.

Miss Chayor and Miss Nettie Coull were the guests of Miss E. Gilber on Tuesday.

A MERRY LEGEND

From Mr. John Bateman a former Dalhousie boy, we have received copies of a little booklet "The Ma-Tee Christmas," which is an attractive little legend and will no doubt be an source of amusement to many of the little ones. We reprint the publisher's announcement.

In presenting the "Wings-Wah-See" to the boys and girls of the North, it is my sincere wish that they may receive as much pleasure in the reading of it as the writer enjoyed in the making. There is no pretence of accomplishment, simply a plain but out of the ordinary Christmas legend for the little folk, in everyday language.

Older hands will recall the pleasant bronze-colored Indian, Gootan, who for years was the central figure at the Dalhousie Reservation. Through out the summer days he was invariably to be seen on a bench at the camp door, basking in the sunshine his day "Calcut" sprawled out at his feet.

"Come sit down, boy—listen, me," would be the cheery greeting as we sauntered by with fishing rod or gun. This tale is based on facts obtained from him several years prior to his death, which occurred at Dalhousie in 1873, he having attained the great age of 103 years.

For the Mosaic Messenger, I am indebted to the Rev. F. P. Culligan, P. Q.

JOHN BATEMAN

Copies of this little booklet can be procured from Miss Audrey Bateman, Dalhousie, N. B. for 10 cents a copy.

NAVIGATION CO. IMPROVE SERVICE

Fraserville Navigation Co. Will Likely Place New Boat on Route.

MAKING PLANS.

With the close of navigation and the withdrawing for the season of the Canada from the Campbellton-Gaspere route the Fraserville Navigation Co. are making extensive plans for the next season's business.

During the past season the Canada has served the public only in a fair manner and the competition of another steamer during the passenger rush no doubt cut into the business.

But next year this company proposes to have a new steamer to place on this route, which will be modern in all respects. They are at present negotiating for the purchase of a steamer running out of Montreal, which will be placed on the route as an express steamer to handle mail and passengers while the Canada will handle the freight traffic.

The company will make a more definite announcement at a later date.

DALHOUSIE

DALHOUSIE, Dec. 1.—On Wednesday evening the ladies who form the Mission Band, in connection with St. John's Presbyterian Church, Dalhousie, held a grand supper in the Temperance Hall to raise funds for foreign missions. The hall was beautifully decorated for the occasion. A large number of people from town and parish patronized the supper table. There were fancy tables and candy tables. All the articles were made by the ladies of the Mission Band. There was also a Christmas tree. During the evening the ladies were pleasantly entertained by music and singing. The handsome sum of \$40 was realized and the ladies are very pleased.

Our young people have had a jolly time skating this week. The pond, located early on Hilary's Road, some good practicing has been done in the building of the skating rink. The Dalhousie Skating Rink.

Over forty of our citizens went to Campbellton on the 26th to take in the building of the skating rink in the Opera House by some of the young people of Bathurst. All returned home well pleased with the trip. Our folks speak of a skating party to the skating rink on Thursday night, the courtesy of the proprietor of the Opera House, etc.

The success that the skating ladies met with in organizing that trip to Campbellton is a proof that if reasonable arrangements could be made with the C. R. for a special train that our people could frequently pay a visit to Campbellton.

Dalhousie having lost its Opera House, by fire, it is not probable that another will be built for several years. Under the circumstances special arrangements should be made for our citizens to take in interesting entertainments in the Campbellton Opera House.

It was a big loss to Dalhousie when the old Murray Hotel was destroyed by fire, ruining its capacity to convert the building he had prepared for our Opera House into an hotel.

Mr. Robert Currie of Campbellton, was a guest on Monday.

The young ladies of the Dalhousie Seaing Circle have had two meetings recently at the house of Miss Jean McNeill. Mrs. LaBelle and arrangements were made to meet at Miss LaBelle's on Tuesday next.

HARKINS COMPANY OPEN TO FINE HOUSE

"Pierre" and "The Great" Public Works of the Theatre Jokers Last Evening.

TO-NIGHTS BILL.

The W. S. Harkins Company opened a three nights engagement at the Opera House last evening and despite the very disagreeable weather, nearly every seat was taken.

The bill was unusually attractive and the large audience left more than pleased with the performance.

In "Pierre of the Plains" the entire company appear to advantage, but of course Pierr and Joe occupy the centre of the stage and each take their parts in a highly artistic manner.

To-night the bill will be "After Midnight" and is pronounced one of the best attractions ever staged in the Maritime Provinces. None should miss it.

To-morrow night the bill will be a double one, "The Queen of the Circus" and "Before and After."

DEAFNESS CANNOT BE CURED

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflammation of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

GLENGOE, Dec. 4.—The weather here was quite good for the past few weeks. The road are in a splendid condition for driving. Quite a number of the young folks have taken the advantage and enjoyed a driving party to the home of Mr. and Mrs. Alex. Thomson, where a most pleasant evening was spent.

Miss Grace Fitch left on Tuesday morning enroute for Montreal, where she intends training for a nurse. We wish her much success.

Mr. C. S. Duff of Tide Head visited at the home of Miss Edna Broadhead Wednesday.

We are pleased to learn that the smallest patients of this place are getting well again. The bride was Miss Laura Winton, teacher, is busy preparing for examination as Christmas is drawing near.

Misses Linn and Annie Murray were the guests of Miss Isabel Boudreau of Glenelg on Tuesday.

Mr. Talmage Adams of Tide Head, paid a flying visit through this place on Wednesday evening.

Quite a number of girls are busy engaged in the lumber trade.

CALLAGHAN-LEGG

The nuptials of Mr. James A. Callaghan and Miss Edna May, both of Glenelg, took place at St. Anthony's church at half past seven Monday morning. The ceremony was performed by the Rev. Father McLaughlin in the presence of a large number of friends and relatives of the contracting parties.

The bride was becomingly gowned in a cream serge suit with tulle and ribbons, large picture hat and gloves to match. The bride was attended by Miss Mary Callaghan, sister of the groom, looking charming in an amethyst brooch and suit, with hat to match, while the groom was attended by Mr. Theodore Vautour. During the ceremony Mendelssohn's wedding march was played by the John Leeger. After the ceremony a reception was held at the bride's home, after which Mr. and Mrs. Callaghan left on a bridal tour to Quebec, Montreal, Toronto and Niagara Falls, taking with them the best wishes of their many friends for a happy married life.

The bride's going away gown was green broadcloth with hat to match. A large number were at the depot to see them away. On their return they will reside in Campbellton. Many valuable presents testified to the esteem in which the bride is held. The groom's gift to the bride was a set of milk furs.

"ILL WEAK AND EMACIATED"

is how Mrs. J. W. Flagg describes the condition of her little daughter after a severe attack of pneumonia, and nothing seemed to do her a bit of good. "At this time," continued Mrs. Flagg, "we commenced to give her iron, and the effect was marvelous. The doctor was amazed at her progress and said Vinol is a fine remedy. Keep it up. We did so and she was soon restored to health and strength."

CON. MCLELLAN HELD UP IN TOWN

Was On His Way to Station To Take His Train.

MAN FRIGHTENED

A most daring attempt was made at an early hour Friday morning to hold up Conductor A. McLellan, while he was on his way from his home to the station. Conductor McLellan takes the Maritime express out of Campbellton Friday morning. Between four and five o'clock he left his home, Dalhousie Street, and was proceeding along the L. C. R. track, when at the Cedar Street crossing, he was halted by a stranger, who demanded money. Con. McLellan withdrew his hand from his pocket with a conductor's pouch therein, which the would-be robber mistook for a weapon, and immediately took to his heels and ran. Mr. McLellan then proceeded to the station and left as usual on his train, saying nothing to any person then of his experience.

The hold up occurred within a stone's throw of Chief Crawford's residence.

When McLellan has been travelling this route from his home to the station for many years and this is his first experience of this nature.

BATHURST

BATHURST, Dec. 6.—Miss Lottie Devereaux, who has been visiting relatives for the last month, left on Saturday morning for Halifax, where she will enter the Order of the Sisters of Charity at Mount St. Vincent. Mr. and Mrs. P. J. Burns have returned from a visit to Boston.

His friends are sorry to learn that Mr. Alvius O'Donnell is confined to his room, suffering from an attack of pleurisy. All wish him a speedy recovery.

Mr. Burns of Montreal is making a visit to his mother, Mrs. S. Bishop. Mrs. S. R. Shirley has been visiting friends in Campbellton.

The Misses Baskins have discontinued the dancing classes, which they have been conducting for some months. "The wish of the young people is soon to be realized. On the 14th or 15th of Mr. Allan Baskins's lot is said to be being erected. Mr. Dennis Landon is the contractor.

Mr. Roy Chayor left on Saturday for St. John to be absent a few months. Miss Shirley is visiting friends in Campbellton.

Mr. Samuel Miller has quite recovered and is able to go out again after an operation for appendicitis.

St. Thomas Light may not have noticed the New York "Herald" but to change its rules, but he succeeded in getting a heap of free advertising for his water.

King Edward handed a crushing rebuke to Lord Charles Bessborough on Saturday by hisling him to the door. Lord Charles is a fine fellow, but he has the American weakness; he talks too much.

A Chinese doctor has declared that the best way to get rid of the flu is to eat a large quantity of garlic. Add to that the proposed Canadian law under which a doctor who is negligent in his duties is liable to a fine and every man's happiness is assured.

When the Japanese soldiers, armed with their political and military machine, have been with a thoroughness that overlooks nothing. The leading statement of the Powers' Kamden are accused of carrying in a house, examination of a large number of girls by which a sugar company gathered in six million unlearned men.

The papers report that a former master plumber is now a member of the Detroit police force, and yet some people scoff at the possibility of reform.

To Paris a mob was put to flight by police dogs. There is nothing like a brace of snarling bulldogs to cause a man to change his mind and hastily decide that above all things he admires the scenery up another street.

Had Weak Back.

Would Often Lie In Bed For Days, Sorely Ache To Turn Himself.

Mrs. Arch. Selmae, Black Point, N.B., writes: "For years I was troubled with weak back. Sometimes I have lain in bed for days, being scarcely able to turn myself, and I have also been a great sufferer while trying to perform my household duties. I had doctors attending me without avail and tried liniments and plasters, but nothing seemed to do me any good. I was about to give up in despair when my husband induced me to try Doan's Kidney Pills, and after using two boxes I am now well and able to do my work. I am positive Doan's Kidney Pills are all that you claim for them, and I would advise all kidney sufferers to give them a fair trial."

DOAN'S KIDNEY PILLS are a purely vegetable medicine, making quick, permanent relief without any after effects. A medicine that will absolutely cure Backache and all forms of Kidney and Bladder Diseases.
