## GOVERNOR SULZER FOR RECIPROCITY

Borden in New York Hears Arguments for Freer Trade

New York, Feb. 25.—The close ties of friendship existing between the United States and Canada were dwelt upon in address Monday night by Premier Robert L. Borden of Canada and Governor Sulzer at the annual dinner of the University Club of Albany. "Canada and the United States," said Premier Borden, "have a common heritage in the language, the literature, the laws, the institutions and the traditions which have come down to them from the men of bygone days."

"Perhaps no more instructive object lesson has ever been given to the world than the 4,000 miles of undefended boundary line from the Atlantic to the Pacific which bears silent but eloquent testimony to the mutual confidence and respect of the two nations."

"Time will shortly place upon the brow of each nation the laurel of 100 years of peace."

Referring to the natural resources possessed by the United States and Canada, particularly along the St. Lawrence, the premier urged that they be "preserved and developed for the people."

Governor Sulzer predicted that the great Canadian northwest is destined to become ere long the granary of North America. "Many of our best citizens, I regret to say," said the governor, "are leaving our states for the west, and going into the northwest because of the fertility of its soil; the liberality of the Canadian government and the ability of these people to better their conditions there."

"We should extend to them a helping hand in their onward march of progress. Instead of closing our doors by tariff barriers against these countries and their products, in my opinion, we should open them wider and do everything in our power to facilitate closer commercial relations."

"We want their products, and they want our products, and all restrictions to prevent a fairer and freer exchange of goods, wares, and merchandise, should, in so far as possible, be eliminated."

The other speakers were John Grier Hibben, president of Princeton University; Dr. Talcott Williams, head of the Pulitzer School of Journalism of Columbia University; and John W. Thomas, president of Middlebury College.

## PREDICTS AN EARLY VICTORY FOR LIBERALS

Hon. Mr. Lemieux Says That Laurier Will be Again Swept Into Power.

Woodstock, Ont., Feb. 25.—For the first time since the last nomination of the late Hon. Jas. Sutherland in 1904, Hon. Rodolphe Lemieux visited this city on Saturday. During his speech Mr. Lemieux alluded to "Jim" Sutherland, whose greatest achievement was perhaps that he was "the chief instigator of the happy nomination of young Wilfrid Laurier to the leadership of the party in 1887." That act should entitle the late Mr. Sutherland to the gratitude of the British nation, for by it he chose the ablest obtainable, at that or any time since.

"And Canada, one of the hardest countries to govern, because of the many nationalities inhabiting it, has been led by Sir Wilfrid into an era of unexampled progress and prosperity."

"Prejudices formed the wave which swept Laurier from power, but the wave is receding, and those who read the handwriting on the wall, see an early victory for the Liberal party," said Mr. Lemieux.

## DRINK CURE A MIRACLE

No, Just Found Science

Many drunkards are sent to jail when what they need is medicine. Drink has undermined their constitutions, inflamed their stomachs and perverted, until the craving must be satisfied if it is not removed by a scientific prescription. Samaria.

Samaria Prescription stops the craving, restores the shaking nerves builds up the health and appetite, and renders drink distasteful even nauseous. It is odorless and tasteless and dissolves instantly in tea, coffee or food. It can be given with or without the patient's knowledge.

Read what it did for Mrs. G. of Vancouver.

"I was so anxious to get my husband cured, that I went up to Harrison Drug Store, and got your remedy there. I had no trouble giving it without his knowledge. I greatly thank you for all the peace and happiness that it has brought already into my home. The cost was nothing according to what he would spend in drinking. The cure of drink was putting me into my grave, but now I feel so happy and everything seems so different and bright. May the Lord be with you and help you in curing the evil. I don't want my name published."

Now, if you know any unfortunate needing Samaria Treatment, tell him or his family about it. If you have any friend or relative who is forming the drink habit, help him to release himself from its clutches. Write today.

A FREE TRIAL PACKAGE of Samaria Prescription, with booklet, giving full particulars, testimonials, price, etc., will be sent absolutely free and postpaid in plain sealed package to anyone asking for it and mentioning this paper. Correspondence secretly confidential. Write to-day. Samaria Remedy Co. Dept. 77 49 Colborne Street, Toronto Canada. Also for sale by Thos. Wm. Druggist, The Rexall Store, Campbellton, N. B.

That little son of Capt. Scott who took his father's picture to bed with him every night during the latter's absence, "to keep his daddy warm," will keep his daddy warm in the hearts of all British folk at any rate.

If Mr. Borden ventures to try to stifle free discussion in the House of Commons on the naval question by proposing the gag, he will very quickly discover that the Liberal party are not going to be overcome by any tyrannical majority. They will show, in no uncertain way, that he cannot ride roughshod over the liberties and privileges of a free Parliament.

After centuries of discipline John Bull has taught everybody in England the foolishness of rioting—except the misus.

Pater—Why didn't you introduce that young man to me?

Pater—Pooh! Nothing to be afraid of.
