Why pay two thousand dollars for an auto when from past experience it has been proven that a Dodge Brothers car will give you better service at a less cost and its first cost is only \$1845. Call at the display room, Roseberry Street and see them.—Adv.MAKING IMPROVEMENTS.
Dr. Pinault is making great improvements to his corner lot next to his residence on Water St. The whole is being surrounded by a concrete retaining wall and leveled. It will make a very pretty spot when the trees grow and the grass comes out green.WARNING.
Recently an advertisement of the Civil Service Institute of Toronto appeared in the classified columns of various papers. The Graphic understands that this institute cannot be located and we would advise our readers not to send any money to the said concern.RIVERSIDE GARAGE.
Messrs. Alex. Jamieson and A. C. Shumson have taken over the Blue Sign Garage and are installing on up to date equipment. It will in future be known as the Riverside Garage. Already much work has been turned out in a very satisfactory manner. Both these young men have had years of experience in this line and are experts. No doubt they will receive a fair share of the public patronage.BEAUTIFUL FLOWERS
