party, and implores Mr. Blake and his colleagues to make an effort that shall to back on what has been accomplished, he is least deserve success. There can be no doubt, that the course parsues by Mr. Blake and his followers, thereif on the bravery of her sons. He closed by calling upon the volunteers to glosed, has injured the party most ma-terially. Their obstruction to so popu-terially. Their obstruction to so popu-terially, which will extend the right who hereifore have had no voice in opublic affairs; their insane attempt to win political favor, by attacking the Government while it was engaged in sup-pressing the North West rebellion, and their responsibility for the enormous ex-pense cutailed on the country, by reason pense entailed on the country, by reason her sons. After complimenting the 90th not leave us altogether in the dark. Now of the extreme length of the Parliament specially, he closed by thanking those in the first place, I propose to deal for a few minutes with Mr. O'Sallivan's pamphlet. He 88.Y8 :--

"The supporters of the sonth

of men, who, when in power, exhibited onto's welcome to her two crack corps, blaudering, incapacity, and extravagance, the Queen's Own and the Reyal Grena- of Nova Scotia, Prince Edward Islands are and in opposition, have failed to secure diers, was particularly enthusiastic. Cape Breton, as regards railway communica-tion with the west, centre in St. John, N. B., that city, but the preparations for their one."

In the first place, he ignores entirely St welcome is none the less enthusiastic. Andrews and St. John, and he goes acress the country from Grand Falls, as I shall In Parliament too, the volunteers' re- ehow. He goes on :

The work of the Pall Mall Gazette in exposing the secret vice of the great metropolis of the world, has caused an excitament among all classes of people in England, that will scarcely subside, until the bottom facts are brought to I agree with him in that. As far as I un-Inght, and the moral filth which the in-vestigation has already disclosed, is swept out of existence. The shameless traffic in children and young girls for immoral porposes, which apparently had its head quarters in London, and its well regulated branches in other Euro-pean cities, has been laid bare by the pean cities, has been laid bare by the difference of the prompt action of the troops had the incurrence of the labor, that the prompt action of the troops had the labor, the labor had as the labor had damned by some, in the end, the effect will be most beneficial to London so The cost of the expedition had been should vote for the all-Canadian route."

great in bloodshed and money. Though There is no doubt about that, and I think The facts so far laid before the public, show that some of the great business houses of London, where female labor is largely employed, are no better than moral pest houses, where the proprietors Montreal to Quebec.

lives which had been so freely spent i 636 Total ...

That is the distance of the northern route. But that is not the route Mr. O'Sullivan proposes ; but had he been honest in his convic-tions he would have taken this route instead of the route he has proposed. Mr. O'Sulli-van's nothern line is as follows :--

Montreal to Quebec Grand Fails to Moncton 200 Total. 608

A difference in favor of Mr. O'Sullivan although, if a line could be constructed there at all, I am sure it could not be done under

illa, also, have The managers say the price of goods is below the space between the St. Lawrence, and the Restigouche River. The rocks and strate composing the range are of the same charac-ter and kind as the Tobique range. The tops of the mountains are as elevated in the one range as in the other."

AWAY.

pointing upward.

Why so ?

She believed it.

addressed the gathering :

majority is not stated.

The steamer Alert, with the Canadian

Hudson Bay Expedition, has returned to St. Johns, Newfoundland, for repairs after three

weeks in the ice. The entrance of the Strait

was made, but no attempt was made to get

through, mainly on account of the short sup-ply of coal, and she lay to, waiting for the

ice to go out. Without coal the expedition to the Bay is useless. The Alert broke a

stern plate which was not sound when she left Halifax, and the stern was considerably

smashed but is serviceable except for the heavy ice. The captain deemed it prudent

trengthening the British navy. Lord Beorge Hamilton, in reply, said the Govern

ing pastor of the Williamsburg Congrega-tional Church, at Springfield, Mass., since last November, bas been forced to resign, b-cause of alleged improper relations with Ella Fairweather, a domestic in his family. He came from St. John, N. B. Mr. Beman is a with the so-called lei teachers outnumber the of nearly two to one. Goldemith Maid, as glory, for a joke, was t through a back street, and put up at suction, Of course, so far as we are concerned in Fredericton, it is not material which route the line takes. If it goes by Mattawamkeeg under the resolution, it passes through Fre-dericton; if it goes to the north, it passes through Fredericton; but I wish to see the line carried out in accordance with the reso-lution now before the House. Owing, of well appearing man of 50 years, and has been an acceptable pastor. He and his wife pro-test his innocence, but the chief witness against him is a daughter, 18 years old, by a course, to our geographical position, the road will strike us on any point. Mr. O'Sullivan has said in his winding up, quoting Sir Walformer wife, who tells her painfal story voluntarily. The church and community have turned against the minister, and he will

"Breathes there a man, with soul so dead Who never to himself has said : This is my own, my native land." robably be excommunicated from the

I will say, in response to that, in the Temple :

"There is a man, who is so base As other men's figures to deface, All in his own, his native land."

AT THE BAR OF JUSTICE.

Opening of Riel's Trial at Regina

to return for repairs, however, and will be there nearly a week. There is nothing in the experience to prejudice the Hudson Bay A six week's postponement probable.

Riel was arraigned for trial at A deputation of important London citizens, headed by the Lord Mayor, called upon Lord George Hamilton, first lord of the admiralty, Friday, and urged the necessity of

Riel was arraigned for trial at Regina Monday morning. Stipendiary Richardson occupied the bench and associated with him was Henry Lejeune, justice of the peace. The prisoner was brought from the barracks in a wagon under a strong escort and conduct-ed to a cell underneath the Court House, fitted up for his accomodation. He was carrying a ball under one arm, the chain being fastened under his left ankle. His lawyers are Lemieux, Q. C., Fitspatrick of Quebec, Greenshield of Montreal and Joha-ston of Regins. The counsel for the pros-ecution are Robinson, Q. C., and Osler, Q. C., of Toronto; Burbidge, Q. O., Deputy Minister of Justice of Ottawa, Casgrain of Quebec, and Scott, Mayor of Regins. The jury panel was called and only three failed to respond. Gen. Middleton and staff and Lt. Gov. Dewdney were present. Riel walked ment intended to secure the best professional opinion as to the actual condition of the avy. If the advisers decided that the navy was efficient, the government would give that assurance to the public to allay alarm. If, on the other hand, it should be found by the advisers that the navy lacked in offitioncy, and that active stops were necessary

to strengthen it, the government would not besitate to ask parliament for a fund neces-sary to place England the foremost among

jury panel was called and only three and Lt. respond. Gen. Middleton and staff and Lt. Gov. Dewdney were present. Riel walked to court with a firm step, his face betraying considerable agitation. The Judge called " Louis Riel," when the prisoner stoed erect, with one arm/resting on the front of the dock. The indictment was then read and the clerk then asked " Louis Riel are you guilty a or not guilty?" Lemieux then announced that he would an file an appeal against the jurisdiction of the me. pat-Robinson asid he with his associate ap-mater and the dock and he with his associate ap-to a house frequented by the feunces dores. The court resembled at one o'clock, when the crown coursel put in demurrer to the ples, and the coursel for Riel joined issue on the demurer. Fitzpatrick supported the ples on the juris-mich with ale-plesences. Dr. Murray kind-diction point. The first point argued was whether the North West territories formed part of the Dominion as ceded by the Hudson Bay Co. It was contended that under Magna Charta the criminal law of England forms part of the public law of a conquered country, and the sum of the public law of a conquered country, and the constant the criminal law of a conquered country, and the public law of a conquered country, and the constant the criminal law of a conquered country and the public law of a conquered country and the public law of a conquered country and the public law of a conquered country and the constant the criminal law of a conquered country and the public law of a conquered country and the public law of a conquered country and the count the the terminal law of a conquered country and the count the terminal law of a conquered country and the public law of the terminal law of a conquered country and the public law of the terminal law of the terminal law of the terminal law of a conquered country and the conquered terminal law of a conquered country and the terminal law of a conquered country and the terminal law of a conquered country and the terminal law of the terminal law of the terminal law the public law of a conquered country, and because then the criminal law of these terri-tories. Magna Obsrta provided for trial by tories.

upon them.
