Mr. Gregory very truly says that Mr. Temple is not being persecuted by the liberal party of this county." Why everybody knows that. It is only George F. Gregory and one or two other sore heads who are persecuting Mr. Temple. What they are after, everybody knows. One would think that Geo. F. Gregory would seek obsourity, rather than brazen it out as he has done, after two such defeats as Mr. Temple has administered to him, He can never get into Parliament. He can never be anybody, more than he is, county would never take him up again. He is politically dead and buried. His adherence would mean defeat and disaster to any party, and the sooner he between himself and further glory or position, the better it will be for his own peace of mind, and for the community.
