

The Children's Hair

A Little Extra Care Now May Save
After Years of Regret

Children play so hard that the head perspires and the hair has a tendency to mat and get sticky on the scalp. Soap and water doesn't seem to remove it, but the hair must breathe to be healthy. Just try Nyal's Hair-Remedies. Rub it into the roots of the hair with the balls of the fingers. The children like it and will ask you to use it. It restores looseness up the hair and scalp can then be easily and thoroughly cleaned. After it is dried give another application of Nyal's. After you have used it for a while you will admit it is the best you have ever used. Your Nyal Drug Store will cheerfully guarantee Nyal's to do all that is claimed for it.

INSULTING ROYALTY.

Torture and Death Used to Be the
Price For This Pastime.

People who went out of their way
to libel their sovereign in days gone
by did not usually get off so lightly as
did the defendant in a recent notorious
case.

For instance, Leigh Hunt, the fa-
mous essayist and poet, was sent to
prison for two years—exactly twice
the length of Mylius' term—for calling
George IV. "a fat Adonis of fifty." And
George was not even king at the time,
only regent.

Going back further still, we find
John Stubbs, a student of Lincoln's
Inn, arrested for libeling Queen Eliza-
beth. He was sentenced to have his
right hand cut off, and the barbarous
punishment was inflicted in public in
the market place at Westminster by
driving a cleaver through the wrist
with a mallet.

Then there was that unhappy Walter
Walker, grocer, at the Sign of the
Crown, who said he would make his
son heir to the crown. When Edward
IV. was told of this merry jest he or-
dered Walker to be arrested and put
to death for treason.

Almost as hard was the fate of the
Buckinghamshire churl who, drinking
one day in a village ale house, spoke
disrespectfully of Henry VIII. "King
Hal," he hiccupped, "is no true king.
Would I had his crown here that I
might play football with it." The li-
beler was hanged, drawn and quar-
tered, and pieces of his body were dis-
tributed as a warning among the mar-
ket towns of the county.

In the reign of Charles I. an indi-
vidual published a seditious libel con-
cerning his majesty. The book con-
taining the libel was burned before his
face by the common hangman, while
his author stood in the pillory in two
places, having an ear cut off at each.
He wore a paper on this head describ-
ing the offense, was ordered to pay a
fine of £5,000 and suffer perpetual im-
prisonment.

loss of his tongue.—Pearson's.

**How Old People
May Prolong
Their Lives**

At advanced age the organs act
more slowly than in youth. Circu-
lation becomes poor, blood thin and
watery, appetite fitful, and diges-
tion weak. This condition leaves
the system open to disease such as
Coughs, Colds, Grippe, Pneumo-
nia, Rheumatism, etc.

VINOL is the greatest health
creator and body builder we know
of for old people, as it supplies
the very elements needed to re-
build wasting tissue and replace
weakness with strength.

HERE IS THE PROOF

A case is recorded in Albany, N. Y., of
a woman who felt she was breaking
down by age and was doomed to the
weak and feeble condition of old people.
She had no strength and the slightest ex-
ertion tired her, but VINOL made her
well and strong, and she states that she
feels ten years younger than she did be-
fore taking VINOL.

We ask every aged person in
this neighborhood to try a bottle
of VINOL with the understanding
that we will return their money if it
does not prove beneficial.

SCIATICA**EXPECTED DEATH ANY DAY**

Another Case Where Life
Was Saved and Healed
Restored by "Nerviline."

It is because he feels it his solemn
duty to tell to the world his faith in
Nerviline that Victor P. Hires makes
the following declaration: "For twelve
years I was in the Royal Mail service,
and in all kinds of weather had to
meet the night trains. Dampness, cold,
and exposure brought on sciatica that
affected my left side. Sometimes an
attack would come on that made me
powerless to work. I was so nearly a
complete cripple that I had to give up
my job. I was in despair, completely
cast down because the money I spent
on trying to get well was wasted. I
was speaking to my chemist one day,
and he recommended "Nerviline." I had
this good liniment rubbed on several
times a day, and got relief. In order
to build up my gen-
eral health and im-
prove my blood I
used Ferrozone, one
tablet with each
meal. I continued
this treatment four
months and was
cured. I have used all kinds of lin-
iments, and can truthfully say that
Nerviline is far stronger, more pene-
trating, and infinitely better than any-
thing else for relieving pain. I urge
everyone with lumbago, neuralgia,
rheumatism, or sciatica to use Nervi-
line. I know it will cure them."

**CURED
SIX
YEARS**

There isn't a more highly-esteemed
citizen in Westchester than Mr. Hires.
What he says can be relied upon. For
six years since being cured he hasn't
had a single relapse. Don't accept any-
thing from your dealer but "Nerviline."

McPherson—Wolsey.

The church of the Redeemer was the
scene of the marriage of Miss Bessie
Wolsey, eldest daughter of Mr. and Mrs.
B. Wolsey to Willis McPherson, of Ar-
kona, Wednesday morning, April 19th.
The ceremony was performed by the
rector, the Rev. C. J. James, and Miss Bul-
lock, of Detroit, played the bridal music.
The bride, who was given away by her
father, wore a graceful gown of white
silk mull with lace, the front panel
caught with white roses. Her long tulle
veil was arranged over a coronet of orange
blossoms, and she carried a shower of
lilies of the valley and roses. Miss Vera
Wolsey and Miss Helen McPherson were
bridesmaids, in blue mull, with white
chiffon and ribbon hats, and carrying
pink baskets of pink sweet peas. Miss
Bullock was in white all-over lace, with
black hat. Mrs. Wolsey held a recep-
tion after the ceremony at her house in
Lowther Avenue, she wearing a becom-
ing gown of mauve silk voile, with black
hat. Mr. and Mrs. McPherson left later
for their new home in Arkona, the bride
traveling in navy blue, and the groom in
blue.—Toronto Mail and Empire.

Temperance Officers.

There was a good attendance at the
Temperance Convention held at Sarnia
on Tuesday of last week. Under the
head of resolutions and discussions, it
was moved by W. F. Lawrence, and se-
conded by Rev. H. J. Fair, of Warwick,
"that an organization be formed to be
known as the Lambton County Temper-
ance Alliance in affiliation with the Dom-
inion Alliance." Carried.

A plan of organization was then proposed
by Rev. Dr. Oswald, of Brigidien, and
seconded by Rev. J. K. Hawkins, and
approved by the convention.

The nominating committee's report
was received and adopted, and the fol-
lowing are the officers thus elected to
guide the affairs of this vigorous move-
ment:—

President—Robert Stirrett, reeve of
Petrolia.

1st Vice Pres.—W. F. Lawrence, Sar-
nia.

2nd Vice Pres.—C. Steadman, Wyom-
ing.

3rd Vice Pres.—Mrs. (Dr.) Treadgold,
Forest.

4th Vice Pres.—Mr. Stableford.

Secretary—Rev. J. B. Grimshaw, Pet-
rolia.

Treasurer—F. C. Watson, Sarnia.

Members of Executive Committee—
Messrs. Neal McGugan, D. C. Coverley,
Point Edward; A. Rumlford, Thorndorf;
and Mrs. W. F. Lawrence, Sarnia.

There can be a difference of opinion on
most subjects, but there is only one opi-
on as to the reliability of Mother Graves'
Worm Exterminator. It is safe, sure
and effectual.

STEWART & CO.**Looking For Lambton Land.**

The Lambton Publicity Association has
a number of enquiries from farmers at a
distance seeking to buy land in Lambton
County. Those who have farms for sale
will confer a favor by sending a full de-
scription to the undersigned, in order that
the parties inquiring may be brought in-
to personal touch with those who have
land to sell. The price may be mention-
ed or not, as desired.

There will be no charge or commission
of any kind, and the parties furnishing
descriptions are not bound in any way.
The Publicity Association exists for the
purpose of advertising Lambton County,
and for no other purpose. It consists
largely of the members of the county
council, and the expense of the advertis-
ing is paid by the county.

The information is wanted for the pur-
pose of placing a list of farms in the
hands of those who wish to buy, and who
have written in answer to general adver-
tisements and descriptions of Lambton
which have been published in various
newspapers in Canada and the United
States.

The description may be sent to R. Stir-
rett, Petrolia, secretary of the associa-
tion, or left at any newspaper office in
Lambton to be forwarded. mar31-41

IT IS A LIVER PILL.—Many of the ail-
ments that man has to contend with have
their origin in a disordered liver, which
is a delicate organ, peculiarly susceptible
to the disturbances that come from irreg-
ular habits or lack of care in eating and
drinking. This accounts for the great
many liver regulators now pressed on the
attention of sufferers. Of these there is
none superior to Parmelee's Vegetable
Pills. Their operation though gentle is
effective, and the most delicate can use
them.

The best method of removing rust from
a polished stove or grate is to scrape
down to a fine powder some scouring
soap, put it into a little oil, and rub the
spots well with a piece of flannel dipped
in the mixture; then apply some whiting
and rub in well. Repeat this process
daily until all trace of the rust has disap-
peared.

The man who invented perforated
sheets of stamps made a big fortune out
of the idea. It is said to have first oc-
curred to a hunting man who wanted to
stamp a letter but could not lay his hand
on knife or scissors. He suddenly be-
thought himself of his spur. Running the
rowel along, he perforated the edges
of the stamp, tore it off, and thus started
a revolution.
