COMPULSORY SCHOOL ATTENDANCE.

The School Board of Bridgetown

The School Board of Bridgetow

The School Board of Bridgetown has already taken measures to carry out the requirements of the law respecting the compulsory atendance at School of all the children of School age in the town. But, in order to a more careful observance of the law as amended, they have ordered the Truant officer to furnish a new list of all the children of the town between the ages of six and sixteen years, specifying the names of the parents, as nearly as possible in their exact Mrs. Ackson. ## Double High Oven Range Burns any kind of fuel and will do more work with less fuel than any other

Burns any kind of fuel and will do more work with less fuel than any other range made, because it has double the oven capacity of the ordinary range; each oven is 20 inches square and works perfectly, the doors are fitted with thermometers, and are made to drop level with the oven bottom. The lower oven is fitted with specially tempered glass, and is just the right height for easy operation. The back surrounding the cooking surface is of White Porcelain Enamel, 19 inches high. This not only gives it a beautiful appearance, but can be kept perfectly clean. The flues are large and of the simplest construction. The Clean Out Doors are so placed that the flues can be easily cleaned from the front.
