

To y^e Honorable y^e Justices at y^e Quarter Sessions Held
at Chester y^e 28 day, of May, 1717

The petition of y^e Inhabitants of y^e Township of Goshen
and others, adjacent humbly sheweth;

That whereas we are sensible of y^e want of two Roads
to be laid out to lead to and from a mill lately erect-
ed, in y^e Township of Goshen; therefore y^e Subscribers, in
the behalf of ~~the above~~ many more, humbly crave; that you
would please to give your order for y^e laying out and
establishing these two Roads; namely, one Road
branching out of the Kings Road (which leads from
Chester to Goshen) in y^e land of Griffith Owen through
George Aspriges, land to y^e mill (called Goshen Mill)
The other Road, leading from y^e mill to a Road it was
formerly laid out by order of Court & leads from Che-
ster through provident to y^e valley, crossing y^e former
Road at such place as may lead by or near Peter
Thomas, so to fall into y^e Road it leads to Philadelph
These Roads being of publick Service & convenience for
carrying Corn flour and other Carriages to Mill or Marke-
t, we hope y^e you in your more Mature Judgments
will think Reasonable, to allow us a Confirmation of
the sd Roads; and we your Suppliant as in duty
Bound under a just sense of obligation pray for
your prosperity #
