

SIMPSON'S

Some of the best literary productions of the world of fiction have made their initial appearance during the past year with the result that the reading public are paying more attention to current fiction and liberally patronizing the best stories by the best authors.

At our up-to-date book counters will always be found the choicest and best of new literature and at prices a little less than is usually asked elsewhere. We here mention some books that are much talked about :—

- "Simon Dale," by Anthony Hope, cloth \$1.25, paper, 65c.
