Opened on **MONDAY**, the 28th September, 1846.

THE following are the branches to be taught, and the Terms of Boarding and Tuition:—

1.—Elementary Instruction, including English, Reading and Spelling, Writing, and Primary Lessons in Arithmetic, Geography, and the Latin Language—Three Dollars per Quarter.

2.—Classical and Commercial Departments, including English in all its details, Reading, Recitation, Grammar, Composition; Arithmetic, theoretical and practical; Book-keeping; the Elements of Geometry, Trigonometry, Mensuration, Algebra; Geography and History, ancient and modern; Latin and Greek Languages and Literature—Five Dollars per Quarter.

3.—The higher Mathematical pursuits, together with the more advanced Classics; French and other Modern Languages; Drawing, and other accomplishments—to be charged according to circumstances.

BOARD, with the Principal—Two Dollars per week, besides separate charge for Washing. A small charge will be made on Pupils in both departments, during winter months, for Fuel—perhaps half-a-dollar each.

The Dues of Pupils, whether Boarders or Day Scholars, to be paid in advance, or, at farthest, before the end of each Quarter.

The Year is divided into periods of Eleven Weeks; and the following arrangement of periods has, for the sake of convenience, been adopted:—

From September 1st to November 17th,
From November 18th to February 10th,
From February 11th to May 1st,
From May 2nd to July 12th.

Eight Weeks are allowed for Vacation—one Week at New Year, and the rest from July 12th to September 1st.

It is desirable that the above scheme should be adhered to by all parties; and it is expected that each Pupil should enter for a Quarter at least.

No allowance for absence, except on the ground of ill health.

Each Boarder will require to provide himself with his own Bedding and Towel, and Silver-spoon.

Toronto, C. W., November, 1847.
