THE GREAT 7-30 U. S. LOAN.

THE Undersigned, having been appointed Agent in Canada for the sale of this popular Loan, is prepared to receive subscriptions for the same.

ADVANTAGES OF THIS INVESTMENT.

With gold at a premium of 40 per cent. (as at present) \$71 44 Canadian Currency will purchase \$100 of this loan, on which amount the U. S. Government pays 7 3/8 interest annually. Should U. S. Currency reach par in two years—and now that the war is over there is every reason to believe that it will do so much sooner—the hundred dollar bond, which to-day costs \$71 44 in gold will then be worth, interest included, \$115 10 in gold which would be equal to 30 per cent. per annum on the investment. And for the payment of this the whole lands and other property of the United States are pledged.

DIRECTIONS TO PARTIES WISHING TO OBTAIN BONDS.
Remit the amount you desire to invest to the undersigned, or apply through any of the Banks of Canada, stating the exact amount in U. S. currency you wish Bonds for, the interest on which will date from the day of your order and the Bonds will be furnished you as soon as obtained from the Treasury Department at Washington.

Cash advanced on Warehouse Receipts and negotiable paper—collections made in all parts of Canada and the United States.

HELMBOLD'S FLUID EXTRACT BUCHU and **SARSAPARILLA** for Non-retention or Incontinence of Urine, Irritation, Inflammation, or Ulceration of the Bladder, or Kidneys, Diseases of the prostate Gland, Stone in the Bladder, Calculus, Gravel or Brick Dust Deposit, and all Diseases of the Bladder, kidneys, and Dropsical Swellings.

HELMBOLD'S FLUID EXTRACT BUCHU, for Weakness arising from Excesses or Indiscretion. The constitution once affected by Organic Weakness, requires the aid of medicine to strengthen and invigorate the system, which Helmbold's Extract Buchu invariably does. If no treatment be submitted to, consumption or insanity may ensue.

HELMBOLD'S FLUID EXTRACT BUCHU and **IMPROVED ROSE WASH** will radically exterminate from the system Diseases of the Urinary Organs, arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience and no exposure, completely superseding those unpleasant and dangerous remedies, Copaliba and Mercury, in curing these unpleasant and dangerous diseases.

USE HELMBOLD'S FLUID EXTRACT BUCHU in all diseases of the Urinary Organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in its taste and odor, immediate in its action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from Broken-down or Delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is sure to affect his bodily health, mental powers, happiness, and that of his posterity. Our flesh and blood are supported from these sources.

PHYSICIANS, PLEASE NOTICE.—We make no secret of ingredients. **HELMBOLD'S FLUID EXTRACT BUCHU** is composed of Buchu, Cubebe, and Juniper Berries, selected with great care, and prepared in vacuo, by H. T. HELMBOLD, Druggist and Chemist of sixteen years' experience, in the city of Philadelphia, and now prescribed by the most eminent Physicians, has been admitted to use in the United States army, and is also in very general use in State Hospitals and Public Sanitary Institutions throughout the land.

Price One Dollar per Bottle, or Six Bottles for Five Dollars, delivered to any address, accompanied by explicit directions.
