## The LOUDEN Bulletin

Series A.

GUELPH, APRIL, 1912.

No. 4.

### O. A. C. STUDENTS AND GRADUATES:

OUR reason for asking your interested attention to our message is that we have been doing our best to render farmers and dairymen practical help in the direction of easing their labors and promoting their objects for 45 years. The concrete results of our study and experimenting find expression in

### THE LOUDEN LINE OF HAY AND BARN TOOLS

Take Hay Tools: Louden Hay Carriers, Louden Double-headed Steel Track, Louden Harpoon and Grapple Hay Forks are as perfect as human genius has been able to devise. They do their appointed work swiftly, surely and well. The faults attaching to the usual run of carriers, track and forks are not found in the Louden tools. But study it all out for yourself in our Catalogue "Everything for the Barn."

Our Catalogue supplements your text books. It gives them point and it instructs you in a practical fashion. It will be forwarded post-free. Send for it.

Take our Stable Equipment: Hay and Litter Carriers, Cow Stalls and Stanchions. It will surprise you to discover the simplicity, efficiency and economy of the Louden Equipments. Farming need no more be a life of heavy drudgery. Also it is absolutely necessary in these days of scarce labor and scientific farming to equip stables with labor and money saving devices, and to assure the health, comfort and general welfare of cows. See our Catalogue for illustrations and details.
