

FRIED BANANAS—Peel the bananas. Have ready in the frying-pan some butter or clarified dripping. When the fat boils throw in the bananas; fry a light brown, drain, well, lay on a hot dish and dust with fine sugar and grated nutmeg.

Taken away
—sick headache, bilious headache, dizziness, constipation, indigestion, bilious attacks, and all derangements of the liver, stomach and bowels. It's a large contract, but the smallest things in the world do the business—Dr. Pierce's Pleasant Pellets. They're the smallest, but the most effective. They go to work in the right way. They cleanse and renovate the system thoroughly—but they do it mildly and gently. You feel the good they do—but you don't feel them doing it. As a Liver Pill, they're unequalled. Sugar-coated, easy to take, and put up in vials, and hermetically sealed, and thus always fresh and reliable. A perfect vest-pocket remedy, in small vials, and only one necessary for a laxative or three for a cathartic.

They're the *cheapest* pill you can buy, because they're *guaranteed* to give satisfaction, or your money is returned.

You only pay for the good you get.

That's the *peculiar* plan all Dr. Pierce's medicines are sold on, through druggists.
